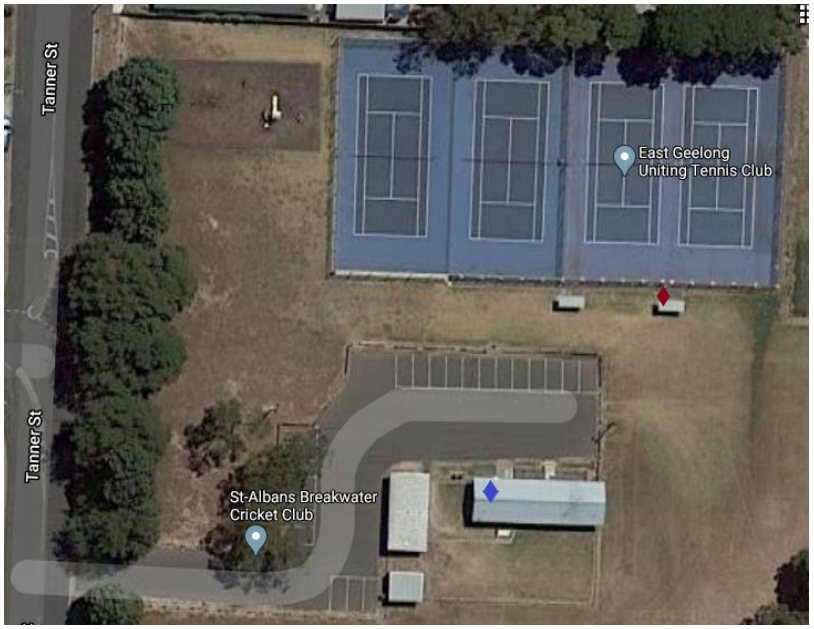
Club Logistics Form

Club Name: Geelong East Uniting Tennis Club

Facility: Breakwater Reserve Pavilion
61-81 Tanner Street, Breakwater 3219


Points of Interest:
Will the clubrooms be open? No
Are parts of the facility closed? The entire clubroom will be closed. The outside toilet block, four tennis courts and parking facilities will be accessible.
Location of Toilets (they may be different to normal), and best way to access them? The outside toilet block remains in the same location. ◆
Where should participants enter the club? Cars should enter the carpark on Tanner Street and park in the main car parking area. The clubrooms will not be open. Each court will have a clearly signed entrance.
Where should participants exit the club? Cars should exit the carpark on Tanner Street. The clubrooms will not be open. Each court will have a clearly signed exit.
Is parking any different to normal? It is suggested that cars park one space away from each other to ensure better social distancing. Furthermore, if required, we will open parking on the grass to ensure that ample space is available in times of high traffic.
Where will your register of attendees be? ◆ It will be located on the outside of the small shelter closest to Courts 1 &2.
If entering teams for Juniors, where/how will parental supervision be managed for each match/court? Can you dedicate areas to avoid unnecessary crossovers? We have no Junior teams entered.
On completion of the match, where should balls be put? A set of balls will be allocated to each court. They should be placed near the entrance to the court so they can be sanitised between matches.
