

NORTH WEST REGIONAL SELECTION CRITERIA

The North West Region Selection Committee is as follows:

-
- The North West Region selection sub committee consists of Dale Martin, Craig Louis, Jeff Blank & Jarrod Campbell. If an instance occurs where the selectors are divided in their opinion at 2 votes/selections each then Justin Sherriff has the deciding vote or selection.

The Regions selection process for NIAS, Teams Events and JDS seeded pools as follows:

- JDS results.
- J.T and A.M.T results. Singles results have greater bearing on selections although doubles results are taken into account.
- Talent identification and athlete potential are taken into account.
- Private coach reports on athletes regarding work ethic and attitude to training is taken into account.
- On and off court attitude, sportsmanship and effort are taken into account. Players who do not meet the required level in these areas will not be considered for selection.
