Welcome

Welcome to the 2011 Tennis NSW tournament calendar. Our tournament calendar has been evolving over the past few years. The obvious change for 2011 is a new more easily read format. Our tournament staff has grouped tournaments together and for the first time we are including a number of other tennis activities within the calendar; activities such as regional open days, MLC Tennis Hot Shots days and competition information. Our tournament calendar now caters for all players from those beginning their tennis career to those on the AMT circuit. The calendar also contains the Tennis Australia Code of Behaviour. This document provides all players, coaches and parents with the expected levels of behaviour and courtesy expected in our sport. The Code is there to protect players; assist coaches; and, aid officials in carrying out their important duties.

The Code does have strong penalties for those who wish to abuse the rules and disrespect opponents and the sport. I urge all players, coaches and parents to study the Code and be aware of the consequences of breaches of discipline. I also strongly encourage coaches to help Tennis NSW get this message to their charges and the parents, who accompany them to tournaments.

The compilation of the 2011 Tournament Calendar has been the task of our General Manager-Commercial Tennis, Mark Wilton. Mark and his dedicated staff have worked tirelessly to get the Calendar to this publishing stage. In order to ensure accuracy and relevance, Mark instituted a Tournament Sanctioning Advisory Group, This Advisory Group met regularly to review the various components of the Calendar. This Calendar is testimony to their hard work and attention to detail. Tennis NSW is most grateful to Ellen Gordon, Rod Rosenfield, Neil Smith, Yvonne Stanton, Stephen Gibson, Andrew Mitton and Sandon Stolle for their contribution to the Calendar.

Of course, the Calendar is a manifestation of the exemplary work being done at the grassroots level by so many Tennis NSW Members. Those Members are producing a critical element of player development in New South Wales. To all the volunteer committees and tournament directors, I thank you for your hard work and your support of this great sport. You are the life blood of the sport.

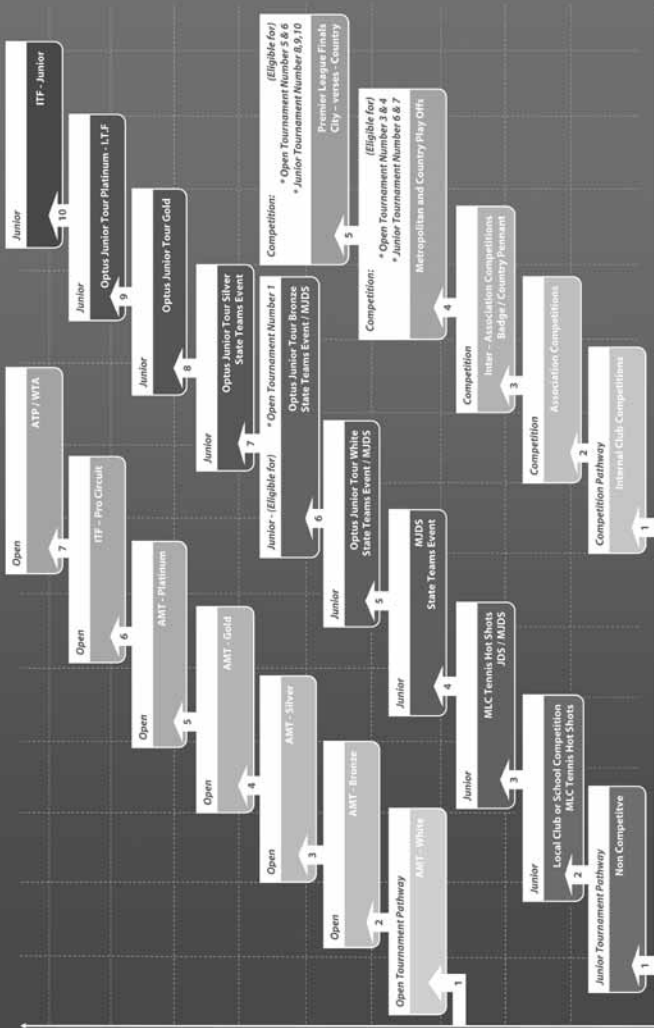

Thank you also to those many officials, who spend their leisure time officiating at the tournaments listed herein. Without your assistance the sport would not grow.

I also want to thank our sponsors and supporters for their contribution to the sport. Medibank Private, Head and Courtcraft provide resources to allow Tennis NSW to do its job. Without their valued participation, tools such as this Calendar would not be possible. I want to remind all Members that Tennis NSW is here to support your activities. We are just a phone call away. No matter what the issue or matter, Tennis NSW is here to help and so I encourage all Members to call (02) 9024-7600 or 1800-15-30-40 for assistance.

Finally, I want to wish every player every success in 2011. Your success is our success!

Glenn Tasker
Chief Executive

How to Enter Tournaments

When entering a tournament please refer to the 'contact' column on the following list of events for 2011.

All Australian Ranking points tournaments will be offering online entry. Details of the tournament and online entry are available online at tournaments.tennis.com.au. Schedule information, draws and results can also be found on this website.

Entry forms are generally available by contacting the phone number or email address listed for the tournament. Some tournaments also have entry forms available on the internet so please check Tennis NSW's website tennis.com.au/nsw (Tournaments) first.

Players are not permitted to enter two tournaments where the dates overlap. The only exception to this rule is where one of these tournaments has a limited size draw. Strict penalties apply to players who breach this condition.

The calendar is correct at the time of printing (November 2010). Please check tennis.com.au/nsw for entry forms, new events and other changes to the calendar.

Code of Behaviour

The 'Code of Behaviour' is enforced at all sanctioned tournaments and competitions and can involve penalties that include the loss of Australian Ranking points as well as suspension from all competitions and tournaments.

Please check tennis.com.au/nsw (Tournaments) for more details. Players, parents and spectators are encouraged to review this document and to be aware of the level of behaviour expected at sanctioned competitions and tournaments.

Tournament Regulations

All Australian Ranking point tournaments (Australian Money Tournaments and Optus Junior Tour events) are conducted according to a set of strict tournament regulations. This covers the procedures the Tournament Directors and officials use in the conduct of tournaments.

Optus Junior Tour events in 2010 will feature the compulsory feed-in of players up to and including the round of 16. For gold events, this will also extend to players that reach the quarterfinals playing for places first through to eighth.

Australian Ranking

The Australian Ranking ranks Australian tournament players from ATP/WTA level, through to 12/u state level performers with one all encompassing ranking system.

A player's Australian Ranking will be made up of their best eight singles plus 25% of their best six doubles results on a 12 month calendar rollover system from results of all Australian Ranking point events. The mix of a player's best results is modified dependent on their age. Rankings can be found on tennisrankings.com.au and points tables can be found at tennis.com.au.

Best Eight Results

This mix of best eight singles and best six doubles results is dependent on the following

Athletes aged 12/u (up to 13th birthday)

Results only calculated from tournaments contested in either the 12/u or 14/u age groups.

Athletes aged 13 to 16 (13th birthday through to 16th birthday)

Results can only include a maximum of four post junior tournaments in singles and three post junior tournaments in doubles.

Athletes aged 16 and over (16th birthday onwards)

No restriction on the composition of their results.

Australian Ranking Tournament Classifications

It is important to understand the classifications of Australian Ranking points tournaments (introduced in 2010). Australian Money Tournaments (AMTs) now incorporate the previous National Open Tournaments and have set prize money based on the level of the tournament.

AMTs and Optus Junior Tour (OJT) events have been separated into five levels of events. They range from Platinum, Gold, Silver, Bronze and White. Australian Ranking points available and prize money at AMT events will reflect the level of tournament.

ITF Junior Events

The ITF Junior Circuit is a series of international tournaments for players aged 18 and under. ITF Junior World Ranking points earned by Australian's are converted each month and calculated for their Australian Ranking. The 2011 Circuit is open to players born between 1 January 1993 and 31 December 1998. Over 300 tournaments will be held in approximately 115 countries throughout the year.

Pro Tour

The Pro Tour is a series of professional tennis events that offer players more than AUD\$1.2 million in prize money, as well as ATP World Tour and Sony Ericsson WTA Tour ranking points.

AMTs

Open to any age, AMTs are designed to offer quality match play opportunities and cater for future players and high A grade club players. Prizemoney and Australian ranking points are awarded in accordance with the level of event; Platinum, Gold, Silver, Bronze and White.

Platinum AMTs offer \$10,000 total prize money, and are the pinnacle open events, designed to be the stepping stone up to the Pro Tour events. These events have restricted size draws based on ranking.

Gold AMTs offer \$7500 total prize money and are the highest open sized draw events.

Silver AMTs offer a total of \$5000 prize money across the men's and women's open events.

Bronze AMTs have a total prize money pool of \$3000 for the open events.

White AMTs offer the lowest prize money and Australian Ranking points with \$1500 total prize money available.

OJTs

The OJT is an umbrella tour that provides a clear competitive pathway for aspiring tennis players, offering Australian Ranking points across 5 levels, Platinum (also known as the Optus National Junior Championships), Gold, Silver, Bronze and White. These tournaments offer points across the 12/u, 14/u and 16/u age groups, with select tournaments also offering points in the 18/u age group.

Offering the highest level of point, **OJT Platinum** events represent the National Junior Championships and have limited draw sizes.

OJT Gold events award the highest level of points at the state level with players reaching the final eight playing out for positions 1-8.

OJT Silver events offer less ranking points than gold events with 16/u winners receiving 24 ranking points (14/u and 12/u age groups are awarded a lower number of points).

OJT Bronze events are a midlevel tournament offering the 16/u winners 20 ranking points (14/u and 12/u age groups are awarded a lower number of points).

OJT White events are the introductory level junior ranking point events, with the 16/u winners receiving 16 ranking points (14/u and 12/u age groups are awarded a lower number of points).

MLC Tennis Hot Shots

MLC Tennis Hot Shots is the fun way for kids to learn how to play tennis. Smaller courts, nets, racquets and low-compression balls make learning easy and give younger players the chance to serve, rally and score right from the first time they play.

From the first moment players participate in the MLC Tennis Hot Shots program, they will 'play the game' of tennis. This means players are able to serve, rally and score in an exciting International Tennis Federation (ITF) endorsed competition format.

MLC Tennis Hot Shots Challenges provide children with the opportunity to participate in a fun competition in an encouraging environment. They can also provide a stepping stone for children moving into competitions such as the Medibank Junior Development Series.

To find upcoming MLC Tennis Hot Shots Challenges in your area please refer to page 50–51 of this booklet.

Tennis NSW Player Registration

All players who wish to compete in competitions and tournaments sanctioned by Tennis NSW must be a registered player with Tennis NSW.

The easiest way to become a registered player is to join a club that is a Member of Tennis NSW. There are approximately 500 Member tennis clubs throughout New South Wales. Players can also join directly with Tennis NSW.

As a Registered Player of Tennis NSW you receive a unique My Tennis ID which entitles you to a comprehensive list of benefits including:

- Personal Accident Insurance coverage
- Tennis ticketing offers
- Access to Tennis NSW Premier League Competitions and sanctioned tournaments

- Special offers, including 12 vouchers from Entertainment Publications
- 'On The Rise' e-newsletter
- Monthly prize draws

Your membership enables Tennis NSW to further develop and grow the sport in our state. From providing competitive opportunities to players, to helping clubs secure funding for upgrades to club rooms, courts and lighting, Tennis NSW is keeping the ball in your court.

Tennis NSW Competitions

In 2011, Tennis NSW will introduce the Tennis NSW Premier League. Tennis NSW Premier League encapsulates the new team's competition pathway for New South Wales. The Premier League consists of 4 levels of competition structure in both City (Sydney) and Country regions. Open, junior and graded events are to be components of the pathway.

For more information about Tennis NSW Competitions call 1800 15 30 40.

Inclusion Tournaments

Special Olympics NSW

Special Olympics NSW is a state branch of Special Olympics Australia, the not-for-profit organisation that transforms the lives of people with an intellectual disability.

Through regular sports participation, Special Olympics brings joy, pride, fun and friendship to people with an intellectual disability while at the same time improving their health and well being.

In NSW, there are seventeen regional programs offering a variety of team and individual sports, although the sports offered in each area are dependent on the interest of athletes and the availability of the volunteers who deliver the programs.

Each region is guided and supported by a governing committee who welcome new athletes, volunteers and members of the broader community.

To find out how to get involved or to see the 2011 tennis tournament calendar please go to the following website: www.specialolympics.com.au/nsw

Deaf Tennis Australia

Deaf Tennis Australia is a group of people united by deafness and in our passion for the game of tennis!

If you are deaf or hard of hearing and would like to play tennis with other deaf or hard of hearing people, then deaf tennis is for you! We are from all parts of the deafness spectrum—most of us wear hearing aids, some have cochlear implants, and many of us prefer to use Auslan (Australian Sign Language). We are about inclusion not exclusion!

We play tennis both through deaf tennis and through our hearing local clubs and associations, and we see this model as combining the best of the deaf world with the best of the hearing world.

We accommodate all levels of play, from beginners and juniors through to elite. Clubs coaches and associations are most welcome to contact us, and we can help to better understand and accommodate deaf people.

So ... if you would like to play tennis, whether to pick up a racquet for the first time, or to take your game to the next level, consider registering your interest at www.deaftennisaustralia.org or email: info@deaftennisaustralia.org

Wheelchair Sports NSW

Wheelchair Tennis follows traditional tennis rules and certainly maintains the same traditions of high levels of skill, fitness and strategy. The only difference in wheelchair tennis competitions is that the players are allowed two bounces of the ball; the first bounce being within the bounds of the court. To be eligible for these competitions, the athlete must be medically diagnosed as having a mobility-related disability. Players are classified on a skills basis in the following categories:

- Open – Elite level players
- A, B, C, D – Graded players
- There is a separate division for quad players

To find out how you can get involved please go to Wheelchair Sports NSW website: www.wnsnw.org.au

All events and tournaments will be available on the TNSW website. For further information on inclusion events please contact Tennis NSW on 1800 15 30 40 or email mclarke@tennis.com.au

2011 Tennis NSW Tournament Calendar

Medibank State Series (MSS)

These are participation events for junior players who are looking to compete in tournaments for the first time. The MSS consists of individual tournaments which use mainly the round robin format. This gives all players the opportunity to compete in a number of matches and gain MSS points. The leading boy and girl MSS point scorers as of 31/12/2011 will be rewarded for their efforts with a trophy, prize and recognition on the Tennis NSW website.
