

## SAVE WITH AUSTRALIAN TENNIS MAGAZINE

## **MELBOURNE** 16 NOVEMBER

## Calling all Regional Centres,

Australian Tennis Magazine offers more for Australian tennis clubs than ever before.

The regular Club of the Month section provides you with inspiration and information, as well as the potential for your own Regional Centre to shine.

There's also important Grassroots content and the expanded My Game instructional content.

At the same time, *Australian Tennis Magazine* continues to focus on star players and big events, while delivering the regular departments that have made it a favorite with the Australian tennis community for more than 30 years.

Many Australian clubs have already taken up the special subscriptions offer targeted especially towards our grassroots community – and we want to ensure you don't miss out.

As a Regional Partner, your special \$60 rate for an annual

subscription will save you \$15 off the usual subscription rate, and \$30 off the total cover price.

To take out your subscription, simply complete and return the form below.

Please note: Due to postage costs, the special subscription rate does not include the free subscriber's gift.
