

MESSAGE FROM THE LORD MAYOR OF BRISBANE ADRIAN SCHRINNER

On behalf of Brisbane, I welcome competitors and spectators to the inaugural ATP Cup.

We are thrilled to host this new world-class men's team competition in our great city.

Brisbane embodies the best of Australia. With stunning natural assets, clear blue skies all year round and a subtropical outdoor lifestyle, we are a growing city with a relaxed and welcoming vibe.

There's more to see and do in Brisbane than ever before. Discover outdoor dining and bars, river kayaking and bridge climbing, cultural attractions, peaceful parklands and sensational shopping.

Our surrounding region is naturally captivating with idyllic sand islands, mountain peaks and incredible wildlife, all within an hour from the city centre.

I wish all ATP Cup players the best of luck and all visitors an enjoyable time in Brisbane.

ADRIAN SCHRINNER
