Captains Newsletter No. 2

Washouts

We seem to be having another slow start to the season thanks to the weather. We realise that games may be cancelled without teams going to the Club house, however, home team captains are reminded that when score sheets haven't been filled in, they should notify Club Administrators of washouts so they can be entered into Tennis Scores.

Player Changes

Due to the number of washouts, the committee has delayed the review of provisional grades until the next meeting.

Kathryn Thomas (Sorell) will continue with a provisional grade of 6 until further notice.

Week 4 has arrived and the committee has approved some team changes as shown below. These changes are effective from Monday October 24.

Scoring Super Tie-breakers

Most players would be aware that Divisions 1 and 2 play super tie-breakers when necessary. Recording these scores in Tennis Scores is a little confusing. Hopefully the following explanation and examples will assist those with this task.

Scoring of the losing games is set to a maximum of 6 points. As an example:

Games scores:	Recorded as:
10 – 8	10 – 6
10 – 2	10 – 2
12 – 10	12 – 6
15 – 13	15 – 6

AYC Championships

Thank you to Campbell Palfrey and Alan Walker who assisted the Committee this year by running the championships for us.

We had 16 entries for the Mixed and Men's doubles and 9 entries for the Ladies doubles. Tuesday night had some challenging weather conditions but they improved slightly for the Thursday night matches. Thank you to those who participated. We hope you were able to shake off the cobwebs prior to the season starting. Prizes will be awarded at the end of season dinner so we hope you can make it along.

Congratulations to the following pairs.

Mixed Doubles:

Group 1: Jaryd Cohen & Evelyn van Nimwegen

Group 2: Michael Moon & Lisa Bowerman

Ladies Doubles:

Group 1: Lisa Bowerman & Ros Pyrke

Group 2: Rebecca Ristrom & Julie Fletcher

Men's Doubles:

Group 1: Karl Gregory & Nick Wise

Group 2: David Brown & Oscar Brown

Dinner

As mentioned previously, our end of season dinner is being planned for The Old Woolstore with a pencil booking of Saturday May 5. Although we have tried to keep costs down and they have given us a good deal, it is still somewhat more expensive than previous dinners at around \$50 per head. We hope the venue will be attractive to all and with forewarning, it may be possible to put an extra \$5 aside each week. We hope to have some lucky door prizes and surprises on the night. Make up a table with your team mates and partners and start saving.

Mens roster

Interest in a men's roster is very sluggish. We are aware of some Rosny players being interested, but no names have been forwarded and with the interest shown so far, we cannot progress this further. If anyone is keen to see this work, please email the ayc email address.

Print Applied Technology

We recently had our new score sheets printed. The committee wish to thank Karl Gregory and Print Applied Technology for their assistance with organizing and printing these for us. Karl went out of his way to help us, providing us with a good quote and hand delivering the books for us. So, if anybody needs any printing done, contact Karl ☺
