Divisions 1 and 2 next season

Your thoughts are sought on the format for next season with Divisions 1 and 2. We are aware we are short of players, males in some Clubs, females in others to form competitive Division 1 teams. We would like to hear what players (especially in these divisions) think about pooling players or having non club based teams in the top divisions or even specifying the points that a team must meet to qualify for the top two divisions. Your thoughts or ideas would be appreciated prior to teams being forwarded for next season. Please email the ayctas@gmail.com address or talk to your Club representative.

60th Anniversary

A reminder that the end of season dinner this year will encompass 60th anniversary celebrations. A sub-committee has been established to organise this event. Involvement from Clubs would be much appreciated. We're after photos, stories or any memorabilia which will reflect the history of our competition. Please talk to your Club representative about this event.

As previously suggested the cost to players attending is being heavily subsidised and will be **\$10** per person. The cost to partners (which is anyone who did not automatically qualify for finals this season) will be between \$20 and \$30. Mark your calendars and remember to organise your baby sitters and/or your taxi ride home. **Saturday May 5.** Alternatively, book a night's accommodation at the Old Woolstore.

Annual General Meeting

The AGM is scheduled for Monday 25th June 2012 at the Old Woolstore from 7.30pm.
