**Season 2012/13 – Emergency Players**

At the Captains meeting, interest was expressed in having an emergency list of players willing to fill in for any Club. If anyone would like some extra games and don't mind some contact details on the web, please email [ayctas@gmail.com](mailto:ayctas@gmail.com) with your name, grade, a contact number and nights you may be unavailable. Could Captains please pass this information on to Club players?

The list will be published on the AYC website for captains to seek fill ins.

Please remember when filling in that you can only fill in 6 times for a team in one division before the rules prevent you from filling in for other teams in that same Division.

**Injuries**

Just a reminder that if a player is injured during the night, one set must be forfeit before another player can replace them. As an example if during a set a player retires injured the team forfeits that set and the score should be entered as 6 F. The F for forfeit replaces any games which may have been won. A replacement player (adhering to replacement rules) can play the next game. If a player finishes a set, then retires injured, the next set must be forfeited and recorded as 6 F.

**Division 1**

This season we have encountered some technical issues with Division 1 in TennisScores. Could all Division 1 captains (and Club Administrators) please check the results below and in TennisScores for accuracy and notify the committee of any errors. Results for Weeks 1 to 5 have all been re-entered.

November 2012

### **AYC Championships**

The Championships were well attended and we hope everyone who played enjoyed the evenings. Winners will be recognised and rewarded at the End of Season Dinner. Results are on the AYC website.

### **Inclement Weather**

Usually we consider cancelling games due to rain, which classifies as inclement weather. However, inclement weather could be stormy, rainy, windy or severe weather conditions. As long as both team captains agree and the score sheet can be signed off to demonstrate that agreement, the AYC committee will be happy to split the points.

### **End of Season Dinner**

The End of Season Dinner has been pencil booked for Saturday 18<sup>th</sup> May 2013. It will once again be subsidised, but not as heavily as last year. Please start to save some pennies for another good night. Clubs should have forms on noticeboards in the new year for you to nominate your interest in attending. It will once again be held at The Old Woolstore. Please get in early to not miss out.

### **Roster book**

Please ensure you are reading the latest roster book and not a draft version. The latest is version 5 and can be viewed/printed from: <http://www.tennis.com.au/ayc/season-2012-13>

### **Next Season**

A discussion was had at the last committee meeting about having 4 person teams in all Divisions next season. We want to flag this early on and hope word of mouth may encourage some players to return to the roster next year. If you have any comments, please email [ayctas@gmail.com](mailto:ayctas@gmail.com)
