December 2012

### **Players not appearing in grading list and returning to play**

After 3 seasons of not playing, players “drop off” the current grading list. We are seeing some of these players wanting to return to playing AYC and asking what happens with grades. Players and grades remain online in tennisscores although names may not be easily visible as most will be proceeded with ZZ.

If a player returns to play AYC, their previous grade will become a provisional grade until statistics can be established to confirm or change this. If there are special circumstances surrounding the return of a player, a request stating reasons for a change of grade can be sent to [ayctas@gmail.com](mailto:ayctas@gmail.com)

### **End of Season Dinner**

The End of Season Dinner has been pencil booked for Saturday 18<sup>th</sup> May 2013. It will once again be subsidized, but not as heavily as last year. Please start to save some pennies for another good night. Clubs should have forms on noticeboards in the new year for you to nominate your interest in attending. It will once again be held at The Old Woolstore. Please get in early to not miss out.

### **Restart in January**

Next year all divisions go back on the week beginning January 28, 2013. Check your roster books for locations. The latest is version 5 and can be viewed/printed from: <http://www.tennis.com.au/ayc/season-2012-13>

### **Next Season**

A reminder that 4 person teams will be used for next season in a 20 week roster. There may be some flexibility in having 2 divisions which do not require 2 women in a team but will be limited by ITN. More thought will be put into how this will work prior to next season. If you have any comments, please email [ayctas@gmail.com](mailto:ayctas@gmail.com)
