Newsletter No 5

Happy new year to everyone. I hope everyone has kept reasonably fit over the break and are ready for the return to the season to cement your positions on the ladder for finals.

A grading list will soon be published on the AYC website shortly. In the mean time, you'll find some grade changes on the second page of this newsletter. It would be appreciated if you could pass these grades onto players within your teams/clubs.

End of Season Dinner

The End of Season Dinner has been booked for Saturday 2nd May 2015 at The Old Woolstore. As previously advised and due to the no shows last year, Clubs will need to collect costs per attendee prior to the dinner. The cost will be \$50 per head for partners. A subsidy for players is yet to be determined, but if everyone budgets \$40 per head there may be beverage money left over. 😊

Results

Some divisions are being chased to get results entered into Competition Planner and some are struggling (particularly Division 1) to provide results at all. This is not helping ladder positions. Please remember that washouts need to be recorded and team Captains are responsible for ensuring results are entered and correct. If we can't get results updated promptly and consistently playing finals may prove challenging for these divisions.

Finals Fill-ins

We know how keen captains and players are to have the finals fill-in list. This will be produced and available online during the first week of March.

Score books

Just to let everyone know, new score sheets are on the way and will assist the scoring of matches. These will be distributed to Clubs as soon as practical after we receive them.
