Hi Players, Captains and Clubs

The AYC Committee would like to thank all participants in 2018/19 Season for a smooth start. Remember if you have any issues your first contact is your Club Administrator, then your Division Administrator lastly the AYC Committee. Contacts for all of these can be found in the Teams and Information Booklet on the AYC website.

The AYC Committee is pleased to accept the withdrawal of Lisa McKay's resignation as President of the AYC Committee 2018/19.

Entering Scores:

For New Captains or Ones (like me with new computers) if you are having trouble a few "trouble shooting" things that may help.

- <http://mytennisadvantage.com> will only work on Internet explorer (not chrome, ipads etc)
- When you are logged in – you need to go to settings and click on Compatibility view setting - it will then ask you to add the tennisadvantage.com website.
(This will make the boxes bigger when you are altering the teams)

New Players:

When entering new players to tennis scores **please do not assign them a grade** leave their grade blank.

On the score sheet put UG in the grade column (un-graded)

On the playing night they assume the grade of the player they are playing for (this could be different each time they fill in)

After 6 times of playing the AYC Committee will review the player's stats and assign them a grade accordingly.

Captains and Clubs will be notified of the player's official grade after 6 times of playing.
