Pick Enter Results

If you have a fillin, or if your team is playing in a different order pick Adjust Team Of The Day

Use the Up / Down arrows to correct team order

Use the ![button] button to replace a team member.

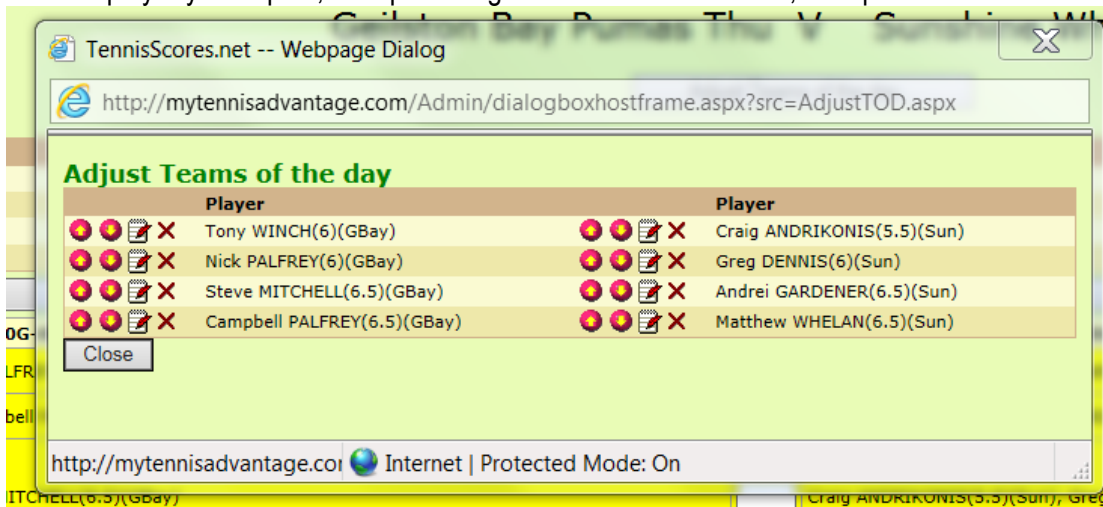

Type sufficient letters of the new players name to narrow the list.

Pick the player you require, then pick the green arrow to enter them, then pick the tennis ball

If your player isn't in the list you will need to add a new player. See below.
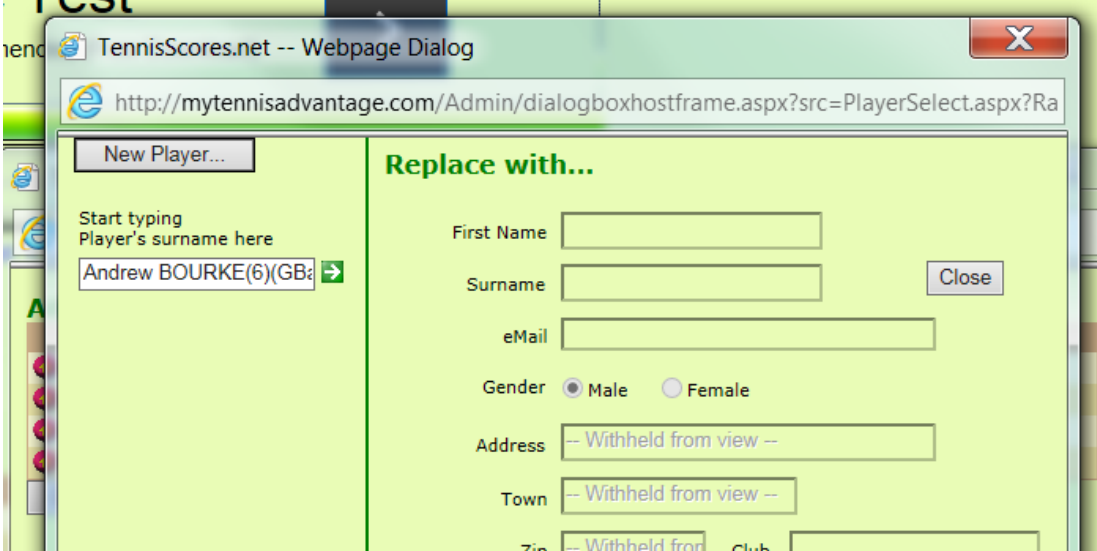

Adjust the order if you need to then pick Close

Enter the scores for each set, if a set is uncompleted just enter the score as it was.
For each doubles rubber the losing team gets 1 point if they win a set, if this is the case enter a 1, or a 2 into the adjustment points for that team.

Then pick Save

Adding A New Player

Pick New Player ,only when you are certain that the player you need isn't listed.

Enter your players details. They will need name, surname, email (or something that looks like an email address) Club and gender as a minimum

Then pick Save, then the tennis ball as above.
