Rob Vernon	Sunshine	6.0			

Short Roster Finals

Finals for the three short rosters have been competed with the following results. Congratulations to all players involved. Pennants will be presented at the end of season gathering.

Division 01

Ken Smith; Elliott Booth; Phil Heaton; Kevin Mahy

Division X1 - Kingston Driftwood

Dan Bahr; Phil Emery; Rob Hartog; Mitchell Garth-Smith

Division X2 – Sunshine Wildfire

Brett Stephenson; Rob Vernon; Wayne Olding; Sharon Smith; Paul O'Rourke

Replacements Players For Finals

The following players were approved as replacement players for the recent short roster finals series.

Wayne Olding 6.5	replaced by Paul O'Rourke 7.0
Mark Vuong 5.5	replaced by Harry Crowe 6.0
Zan Case Boag 5.5	replaced by Phil Emery 5.5
Oliver Grant 6.0	replaced by Phil Whistler 6.5
Luke Faulks 6.5	replaced by Kanaka Watanabe 6.5

The reducing number of players and the overlap of the short rosters finals with the long roster is making it increasingly difficult to find reasonable fillins within all of the current rules. The Executive make every attempt to ensure that a replacement player doesn't advantage the team but also maintains a reasonable level of competitiveness.

Next Short Rosters

17 teams have registered for the coming short rosters in Divisions 01, X1 and X2. Good to see more Sorell teams able to participate. Rosters will commence in the week of January 20th. Should all be available on tennis scores by early in the New Year, I'll advise Captains as soon as the schedule is completed.

Pennant 2020 - 2021

You will no doubt be aware of the varying rosters and formats that the Association have been playing during the last few seasons, Club, Non Club, Long, Short, Mixed Nights, Gender and Non Gender based. In an attempt to clarify the Clubs and Players view of the best way forward that is most likely to ensure the continued existence and longevity of the pennant we will be offering them the opportunity to provide some formal input over the next couple of months. More info early in the new year.
