

AYC TENNIS ASSOCIATION

Season 2019 / 20 - Newsletter 08

Hi All

Our final newsletter for 2019 / 2020, although the season ended somewhat abruptly, I hope that you had plenty of good tennis, are looking forward to a tennis restart in the near future and are planning to play in the coming pennant season.

The team on top of the ladder when the season ended has been declared the pennant winner and individual winners have been based on results to that date. A list of all winners appears at the end of this newsletter.

Regrades

The Committee have been unable to meet to discuss regrades. It appears that the Stage 2 restrictions will permit this to occur. If you have any queries about current grades please contact us.

Annual General Meeting

Given the proposed easing of restrictions over three stages we are planning to hold the AGM early in Stage 3 when gatherings of 50+ will be allowable, that would be a good AGM. A tentative date of Monday July 27th has been set for our AGM, this is subject to change as the back to normal timetable is still uncertain.

This may not leave much time for team selection with a possible entry close date of August 22nd and a possible start of the roster on September 14th

Clubs are encouraged to start the team planning process with these dates in mind.

More details will be provided as we get a little closer.

Season 20 / 21

At their meeting in March the Committee voted 7 – 2 in favour of putting to the AGM that only ten week rosters be offered for the next few seasons. Please use the link below to access documents related to the AGM. This decision was made prior to the Coronavirus restrictions coming into place. We welcome your feedback prior to and at the AGM.

The calendar option with two five week rosters has been added as a possible alternative if players are hesitant to return to a longer commitment and as a possible alternative for entry level players looking to get started in pennant tennis. Just one for discussion.

Please use our email ayctas@gmail.com for any feedback.
