To All Participating Clubs

Season 2020 / 21 – Submission Of Teams

Clubs are invited to submit teams for the first roster in the 2020 / 2021 season. Subject to current restrictions we expect the roster to be able to start at the usual time. Please note the dates for teams to be submitted, the Championships and the Roster start.

While we appreciate the need for the different approaches of Division 01 and the X Divisions we are seeking the support of all clubs to focus on submitting the best teams that they can in the traditional format.

Please circulate and encourage your players to participate

Tennis Scores will be set up for the coming season in time for Clubs to enter there own teams by the closing date. If you wish to have them entered for you please email all details to the Association with a few days lead time. Each team requires details of a Captain with mobile number and email address, please provide a suggested grade for any new players.
