### **Finals Rules Impacted By 10 Week Rosters**

The rules for finals are predominantly written around the old twenty week roster, the following changes apply for the current two ten week roster approach.

Nominated Players must have played 3 matches to be eligible for finals

Please Note: **Any** substitute players must be approved by the Executive before playing.

**If you have any queries about finals eligibility please ask first.**

Divisions 3 and X1 with only four teams will have a Preliminary Final, 2<sup>nd</sup> v 3<sup>rd</sup> with the winner to play 1<sup>st</sup> in the Grand Final

Other Divisions will play a two week finals series, semi finals 1<sup>st</sup> v 4<sup>th</sup> and 2<sup>nd</sup> v 3<sup>rd</sup> followed by a Grand Final

### **Results Entry & The App**

There have been a few hiccups getting results entered but things seem to be going better in the last couple of weeks. A number of Captains have been using the tennis scores app to successfully enter results, this avoids the issues around using IE and having access to a desktop or laptop PC. We are keen to continue the practice of teams taking care of their own results as this spreads the work load and can usually be done in a more timely manner.

There is a cost of \$6.00 annually to enter results via the app but once subscribed you can have the capacity to enter results for more than one Division if that is helpful.

## Next Roster

Entries for teams in the next roster close on Friday December 04<sup>th</sup> with the roster to start in the week commencing Monday February 01<sup>st</sup>, 2021. **Please check with your Club when they will be closing entries.**

We all understand that there are a number of reasons why players may not have nominated for the first pennant. Our capacity to provide well organised and meaningful interclub competitive tennis relies on the support of a broad range of players. Hopefully the next roster will attract more players.
