Season 2020 / 21 - Newsletter 07

New Grades & Regrades

A review of all grades, including the concept of only maintaining recently active players on our list, will be carried out in time for the next roster. If you wish to have any input please use our email address.

Replacement Players In Finals

Finding suitable replacements and delivering an agreeable approval process continues to raise some concerns for both teams and Clubs. In an attempt to generate some discussion on this subject aimed at finding an approach that is both well understood and appreciated we have provided a link to a short discussion paper. Please take some time to read it, discuss it with your team mates, and provide us with your feedback in time for the AGM. [AYC Finals Discussion](#)
