## **Season 2021 – 2022 Newsletter 02**

Wednesday, 25 August 2021

### **Roster 01**

A good start to the new season with a small increase in the number of teams signing up for the first roster, 37 teams in all, an increase of 3 teams. Good to see a number of younger players along with the Hobart Out Tennis Club getting involved.

We have made significant progress toward achieving single night divisions, while a bit difficult in a couple of instances the Clubs and players have been very supportive of this change taking a flexible approach to getting a good outcome. This is a significant gain in our attempts to make the pennant more appealing to a broader range of tennis players. For the first roster four divisions will have only one odd night, meaning nine out of ten matches on the same night for most teams, Div X is split evenly over two nights, Div 1 remains on Wednesdays. In addition, byes have been effectively eliminated for the first roster.

The downside to this is that fillin players will be in short supply, we are planning to develop a **Fillin Register** to be made available to Captains (not on the web), if you are not in a team but would be happy to fillin please let us know and we will make your contact details available.

Due to the wide range of X format team three have been included in the mixed divisions 02, 03 and 05. Hopefully this won't cause any problems and will allow a couple of new teams to get a start at the right level.

### **AYC Championships Reminder**

## **Saturday Afternoon Pennant**

We have decided to attempt to restart the Saturday afternoon pennant than ran recently as the STL. We will be seeking expressions of interests from southern clubs and discussing with Tennis Tas how this one may best get underway again running under the AYC banner. Initial thoughts are to replicate the short five or six week roster starting in early October. Look for more on this one from your Club soon.
