Roster 02

Very encouraging to see the continued increase in numbers, over the last four rosters we have progressed from 29, to 34,38 and now 47 teams. Clearly the decision to move to short rosters and the work the Clubs and Committee have done to progress single night Divisions has resonated with the players. Most Clubs are experiencing an uptake in interest with a mix of both brand new and returning players now participating with those who have stuck at it.

While the roster length was a simple change achieving consistent single nights across a growing pennant that meets the varying needs of the participating Clubs, along with some players now looking to play in two divisions, is somewhat more challenging. Our work to date has achieved a few single night divisions and most with only two nights, good progress, loosely along the lines of mixed divisions on Tuesday and Thursday with X Divisions on Monday and Wednesday.

We welcome feedback on any aspect of the pennant and will be reviewing everything at roster end to see what can be improved.

A slightly updated Roster Book has been added to the web at [Current Roster Book](#), contact details for Sunshine Bushfires in Div 06 have been added along with some additional grade changes missed earlier.

New Players & Regrades

There have been several players added to the list, or regraded prior to the second roster, these are all listed in the roster book on our web site, the changes have been made in tennis scores, but this is not the definitive list as many players have been inactive for some time and are effectively ungraded. Please check if you have any doubt about a player's grade before using them as a fillin. The updated Master Grading List has been updated and is on our Season 21/232 page at [Season 21 22 Page](#).

The App

The new rosters have been setup in tennis scores, ready for results when the roster starts. For those of you using the app for results entry a number of improvements have been implemented during our off season, Version 2.45 seems to be the current one.

Those existing subscribers still in the pennant may be able to help teams out without the need for an additional subscription.

AYC Mixed Doubles

Congratulations to Di Mason and Gordon Moon, winners of the mixed doubles in December.

Suppers for Roster 02

To date all of the Lindisfarne teams and John Beard's Sunshine team have advised that they won't be providing supper for the coming roster.

Captain Change

Please note the Captain for Rosny Jaguarundis in Division 04 is now John HEY M: 0419 015 107 E: john1719@bigpond.com

Saturday Pennant

You may have this info from your Club, Tennis Tasmania are looking to re-establish a Saturday afternoon pennant along the lines of the Premier League. Probably will involve a couple of short rosters in Term 01 to get things up and running with more normal rosters in place, if successful, in Term 02. Check with your Club.
