### Tennis Ladders

### What's happening:

We are still waiting on reports from the Council regarding the Lux levels on courts 1 & 2. In the meantime we have been told not to use the courts after dark. As a result the Social Night had to be moved and Night Tennis teams are looking into venues to play their Home games at next season. This will have a financial cost to the Club as well as extra travelling for team players.

We had our last Working Bee for 2019 on Sunday 8<sup>th</sup> December.

We would like to **thank** everyone who turned up to help.

! The courts and the Club room were both cleaned, great work everyone.

Although Tennis competitions have finished for the year the courts are still available to hire from the **NEW** IGA store. Congratulations to IGA on their new store it's been a long time coming but it looks great. We would like to thank them for their continued support and if you haven't already, head down and check it out.

Recently we put out a call for a new Secretary and we are happy to announce that Vanessa Wicks has stepped forward to take on the role. **Thank you** to Chris Jobling for doing this role over the last few years and to Vanessa for volunteering, without volunteers the Club would not run.

### FUNDRAISING:

No fundraising happening at the moment.

We are looking into another date for a BBQ either Bunnings or Woolworths but this will probably be in 2020.

**Social Night:**

Christmas break up night had to be moved to Sunday Lunch due to lighting issue. We had a great afternoon of Tennis, food and chatting. Next Social event will be early next year, date to be confirmed.
