DISCIPLINARY POLICY

1. Purpose

- 1.1. Tennis Australia (**TA**) and all Australian Tennis Organisations (**ATOs**) aim to create a safe, welcoming and inclusive tennis environment for all participants at all levels of the sport. TA and ATOs also want the whole sport of tennis in Australia to be fair and we are committed to achieving honest sporting performances and outcomes.
- 1.2. The purpose of this Disciplinary Policy (**Policy**) is to set and maintain standards of conduct and behaviour within the sport of tennis and in doing so, ensure tennis is a safe and fair sport for all involved.
- 1.3. All persons bound by this Policy have the responsibility to:
 - (a) adopt the practices and behaviours set by TA as the expected standard when carrying out their roles (including those set out in this Policy);
 - (b) report any conduct that may amount to a breach of this Policy which they become aware of to a Complaint Recipient (see Part III of this Policy); and
 - (c) act in a discreet and confidential manner in discharging their obligations under this Policy.

2. Application

- 2.1 This Policy applies to the individuals and organisations that are bound by TA's Member Protection Policy (**Personnel**).
- 2.2 This Policy is to be read and operates in conjunction with all of TA's national policies (**Other TA Policies**) as amended from time to time. A full list of Other TA Policies is available at <https://www.tennis.com.au/about-tennis-australia/reports-and-policies/policies>.
- 2.3 Typically, this Policy will capture behaviour and conduct of Personnel which occurs off-court but is still connected or related to the tennis activities of ATOs.
- 2.4 If anything in this Policy is inconsistent with any relevant Federal, State or Territory law, the relevant Federal, State or Territory law prevails to the extent of the inconsistency.
