

TENNIS ACT

Affiliation Brochure 2025-2026

MESSAGE

FROM THE CEO

On behalf of Tennis ACT I would like to thank each affiliated club, organisation, centre and school for your ongoing efforts in growing our great sport. Thanks to your dedication and passion, our network provides positive tennis environments and allows tennis to thrive, with continued participation growth across the ACT & Region over the last 12 months.

Having quality tennis programs that are safe and inclusive, alongside facilities that are welcoming, ensures the community has access to tennis and the active and healthy lifestyle it provides for tens of thousands of people. Tennis is, and always will be, a sport for life and a sport for all.

As the peak body for tennis in the ACT & Region, our vision is to get more people playing tennis more often, regardless of how, where or what they play. In the last 12 months the focus has remained on engaging and increasing adult participation through ease of access to our clubs through Book-a-Court and offering fun and flexible offerings to engage new and lapsed players.

Hot Shots Tennis in schools has continued to be the most popular program among schools in the ACT & Region with 21,704 students enjoying tennis as part of their curriculum. The transition from a positive first experience in schools to playing at local clubs is critical. Well done to all that have established strong pathways here, as these players are the future of our sport.

Equally, the competition environment represents the retention arm of our sport. The Walking Clinic Canberra Tennis League (CTL) allows players to feel a greater sense of belonging and a true connection to the club. CTL has continued to grow with further increases in team numbers across each season in both Junior and Adult competitions, as well as a large number of players continuing to participate year-on-year.

The year 2025-26 will continue the focus on building thriving tennis communities throughout the ACT & Region. Please continue to work closely with the Tennis ACT team to access the latest programs, information and initiatives.

We look forward to working with you to grow tennis participation and grow the opportunities ahead. Congratulations and well done on all that has been achieved thus far and let's continue to grow the legacy together.

Kind regards,

Mark La Brooy
Tennis ACT, Chief Executive Officer
