## Welcome back to the Hobart International Family.

As we prepare for the 2026 Hobart International, I'm delighted to welcome you to what promises to be our most memorable tournament yet. The 2025 event marked a milestone 30th edition, filled with inspiring performances and unforgettable moments, and it confirmed just how much this tournament means to players, fans, and the Tasmanian community.

In recent years we've focused on elevating the fan experience, investing in premium hospitality, creating welcoming spaces, and ensuring every guest feels part of something truly special. The result has been an atmosphere where people don't simply watch tennis – they relax, connect, and celebrate against the unique backdrop of Tasmania.

With these foundations in place, 2026 will take premium experiences to new heights. From the moment you arrive, you'll find every detail designed to make your time with us exceptional. Whether you're entertaining clients, spending time with colleagues, or sharing the thrill with friends, our premium packages offer the most rewarding way to experience world-class tennis in Hobart.

We look forward to welcoming both new and returning guests and making the 2026 Hobart International a celebration to remember.
