Fraser Bradley awarded Life Membership

The Cooroy Social Tennis Club Christmas luncheon was held at the Saw and Mill Restaurant on 12 December 2019. Dorelle announced life membership is being awarded to Fraser.

Russell Butler 'Thanks Dorelle. I haven been asked to say, and it is certainly a great privilege, a few words about this young fella called Fraser Bradley. I have known Fraser very well ever since he came to this district in about 2003. Shortly after arriving here, he became involved with our club and then he took over as President at a time when the Club was shall I say 'very unsettled'. He pulled the club back together so that it is a wonderful place to come and play tennis and socialise. He has worked tirelessly to make and keep this a great club every since. Fraser, can you come over here. If ever there was a person worthy to receive this award of life membership it is Fraser. So Fraser, put this plaque on your wall, gaze at it and remember we all love you'. A surprised and speechless Fraser thanked everyone.

President's Report AGM 15 December 2019

COACHING AND JUNIOR FIXTURES

Our club coach is Di Peterson and has been since 2014. On 27 August 2019, after discussion and a performance review between the Club and Di to ensure that both parties are happy to keep working together, a new agreement between the club was entered into for a further 2 years.

In the committee's view Di's requirements under the existing agreement had been substantially and satisfactorily carried out, and the committee were keen for her to continue in her role, and Di also was happy to continue.

Our juniors participated in 3 fixture seasons in 2019 and performed very well. Tyson was our court supervisor for a short period, and then handed over to Bailey Collins who has continued for the rest of the year. It is pleasing to note that these 2 young people performed their role in an exemplary manner, to the credit of themselves, the junior players and the club.

REPAIRS AND MAINTENANCE

One stump under the club house was replaced early this year. The old stump had mostly rotted away under the ground. This stump was identified during earlier maintenance work on the stumps. Hans Bertogg led, and did, most of the work, which was much appreciated.

During the year Julia was successful in getting a \$31000 grant to replace the 12 halogen lights on courts 1 and 2 with LED lights. We were on target to have the lights installed and operational this coming Monday, however I have just been advised that the scissor lift required for the installation has faulty electronics and won't be repaired in time. Work is being rescheduled for early January (I hope!).

We have been offered, through Tennis Queensland, free of charge, new surface coating on courts 3 and 4. The coating is apparently a new mixture that helps reduce court surface temperature, and we would need to participate in any testing that may be required to see how the coating is performing.

We have waited patiently for most of this year for the work to start, however, the supplier has been addressing some problems which need to be resolved before the work starts.

The courts 3 and 4 surfaces were laid in 2009, now 10 years old and wearing thin.

Also repairs to the concrete surface are required as part of any recoating. The offer is for a blue colouring, and as we do not have a spare \$35 to \$40k available at this time, we hope that the free offer eventuates.

Also, we laid a new 25mm water line from our meter to the far side of court 4. This outlet is necessary for any future maintenance work on the court surfaces.

Finally, the main electrical contactor for the court lights has been replaced.

THANKS

Thanks again to our hard working committee members, and other club members and non-member' friends who have worked diligently as required on essential tasks throughout the year.

Thanks to Maggie Bertogg who has stepped in and taken over the task of keeping our club house and facilities clean. We did not feel our previous cleaning contractor was giving value for money. Maggie is doing a fantastic job.

Alan Kenzler continues to maintain our grassed areas and surrounds in an excellent manner, thanks to him.

We have 9 sponsored signs on the court fences along the back of the courts.
