

## Game On Recycling: Tennis Ball & Racquets

Game On Recycling is a pilot program that aims to create a national recycling scheme for sports equipment. That means rather than being thrown into landfills, tennis balls and racquets be recycled. Each piece of equipment that is recycled goes to saving the planet and our environment.

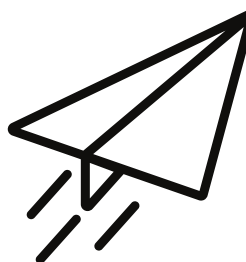

1. Register & receive

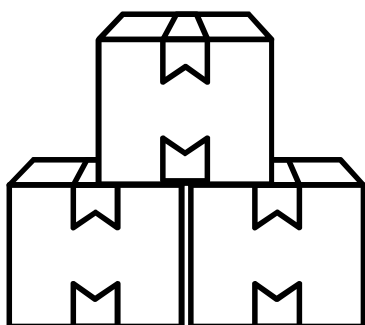

2. Start collecting

3. Promote on socials

4. Ship it back

5. Refill boxes

6. Find out your impact
