SOCIAL MEDIA POLICY

1. Purpose

- 1.1. Tennis Australia (**TA**) encourages the positive use of Social Media, as a tool for the tennis community to engage, interact, communicate, learn and innovate online. When done in a healthy, positive and constructive manner, TA acknowledges the many benefits of using Social Media to share and consume content.
- 1.2. TA recognises that along with those benefits, there are associated risks. Inappropriate Social Media use can have a significant negative impact on members of the tennis community, damage the reputation of TA or its sponsors and stakeholders, bring the sport of tennis generally into disrepute and/or otherwise tarnish TA's brands. TA understands the potential online dangers presented by Social Media, including the risk of cyberbullying, invasion of privacy and exposure to inappropriate content to players, officials, members, sponsors and other tennis stakeholders.
- 1.3. TA has developed this Social Media Policy (**Policy**) to establish the responsibilities and expectations of Personnel when they use Social Media. This Policy will provide the key principles for enabling healthy and positive Social Media engagement.
- 1.4. The aim of TA and this Policy is to protect, promote and educate the tennis community about using Social Media in a safe and appropriate manner.
- 1.5. Whilst this Policy should give the tennis community confidence and freedom to use Social Media, it is ultimately each individual's responsibility to comply with this Policy and make informed choices on how to engage with others on Social Media.

2. Application

- 2.1. This Policy applies to all individuals and organisations who are bound by TA's Member Protection Policy (**Personnel**).
- 2.2. All Personnel have the responsibility to comply with the conditions of Social Media use set out in this Policy, report any breaches of this Policy and endeavour to have a respectful online presence.
- 2.3. ATOs must:
 - (a) adopt and comply with this Policy; and
 - (b) recognise and enforce any sanction(s) imposed under this Policy.
- 2.4. This Policy is to be read in conjunction with TA's Member Protection Policy, Safeguarding Children Code of Conduct, Code of Behaviour: Competitive Play, Disciplinary Policy, Online Systems – Conditions of Use, Anti-Doping Policy, Tennis Anti-Corruption Program, and TA's People and Culture Policies (**Other TA Policies**) as amended from time to time.
- 2.5. Where there is any inconsistency between this Policy and the Other TA Policies, the Other TA Policies shall prevail to the extent of any such inconsistency. Conduct which may amount to a breach of this Policy may also amount to a breach of the Other TA Policies. This Policy operates in conjunction with Other TA Policies. If there is an alleged breach of this Policy and Other TA Policies, action may be taken under this Policy and/or one or more applicable Other TA Policies.

- 2.6. If anything in this Policy is inconsistent with any Federal, State or Territory law, the relevant Federal, State or Territory law prevails to the extent of the inconsistency.

- (d) Due to the nature of Social Media, the boundaries between individual's professional and personal life can often be blurred online. Personnel must respect TA, its events, activities, and other members of the tennis community and ensure TA, its sponsors and stakeholders, and/or the sport generally is/are not brought into disrepute.
