## WHY BE AN ACTIVE REGIONAL PARTICIPANT?

***Tennis is healthy, social and competitive and is one of the highest participation sports in Australia***

*Tennis East Gippsland has its sights set to open the maximum opportunities for player participation and to assist associations and clubs in the growth of the sport*

#### Participation Development

Support a healthy, active, social and competitive environment for all club members  
Provide a wide base for the development and improvement of all players  
Provide a structured participation pathway for high performance players  
Access to, and modification of, Tennis Australia & Tennis Victoria programs  
Facilitate development of club management techniques

#### Player Development

Supervised junior and senior representative team competitions

#### Representation

Support representative grassroots at State and National levels

#### Competition and Events

Assistance in promotion and conduct of tournaments and competitions

#### Technical Services

Advice and education in the improvement of facilities  
Assistance with key stakeholders  
Improve communications between associations, clubs and coaches

#### Insurance

Through Tennis Victoria - public, products and association/club liability
