

Hawthorn Tennis Club and our soon-to-be late neighbours: demolition of the old buildings around the Hawthorn Community Precinct will change our outlook

Hawthorn Tennis Club Inc

105th Annual Report

2009 – 2010

Preparation for a New Environment

- the Hawthorn Community Precinct

The Scout Hall went first; now the home to both Peppercorn Club and Italian Senior Citizens has gone. The new Precinct takes shape this year; so watch the trams while you can.

PRESIDENT'S REPORT

The Club, through the use of the expertise of both members of Committee and others, has achieved many goals during the year.

The principal achievement, resulting from a very effective liaison with Council, has been the improvement of our northern courts. After nearly 50 years on the current site, courts 4, 5, 6 and 7 are now in one line, which is wonderful. Council contributed much to the project, although the Club of course also incurred costs - but the overall result is very worthwhile. The project is yet to be finished, with the Club needing to get on with remaining fencing work for these courts, but there should be little inconvenience to members in future.

The Club will sorely miss our Coach, Roberto Viavattene, who was liked by one and all. He is now moving into other ventures and we wish him good luck and all the best. The Club has advertised for expressions of interest in the position of Club Coach and has received a very large number of highly credentialed applicants. It is hoped that the right person will have been chosen to replace Roberto by the time that this Report is distributed.

As both President and Club member for many years, I do wish to emphasise the importance of reading notices that the Club may email or otherwise send. Instead of putting the information aside, find out about matters such as competition tennis, social gatherings and other things that members should know. Then make a note in your diary. At present, too many volunteer members need to chase others who have not bothered to read their notices.

I have stated this before, a club means people that club together for mutual benefit. If you need to know something, or wish to be included, then don't hesitate to speak to the relevant Committee member or, for that matter, me.

Robert Payne

A busy morning on Courts 1 – 3: the view will change as the Precinct develops and our water tanks learn their fate

SECRETARY'S REPORT

It may have seemed that the Club was in something of a holding pattern this year. Competition continued, Club Championships attracted some strong fields, social functions were held and enjoyed and new members, hopefully, made to feel welcome. However, there were no landmark activities. The year lacked the excitement of an Open Day and a new water management system to be launched, let alone a Club Centenary.

On the other hand, a great deal of time and effort was devoted to preparation for the new Hawthorn Library Precinct Redevelopment Project of Boroondara Council. Members will have noticed the extensive demolition work already undertaken on the site next door and will see much more in the coming year. Temporary closure of our western access gate at those times possibly meant a minor inconvenience for some members.

More directly, most members were affected to some extent by closures of courts to allow for new fencing along three sides of the northern courts. The Club apologised for this impact on competition matches, social tennis and coaching, but it was unavoidable and vital for our longer-term financial welfare. The work, needed by the Club, really proved the benefits for a volunteer community organization of working constructively with its landlord – the local Council – for the benefit of both itself and the broader community.

The Club was kept informed of Council's aims for the redeveloped precinct in the strip of land immediately beyond our northern fences in terms of access and parking. The Club very carefully measured its court surface area and then engaged in discussions with Council officers. A proposal then was made to Council management that we might be willing to cede a small strip of land at the northern end of Courts 4 – 7. In return, Council would meet the costs of the necessary new fencing and also reconstruction of Court 4; essential as this had never aligned with its three neighbours.

Council was delighted to gain this extra 1.5 metre strip, enabling it to effectively meet its own needs at a cost constituting only a very small proportion of the overall Project cost. For the Club, it acquired new fencing along much of the perimeter of these courts at no charge, although the remaining section needs to be replaced soon at our own cost.

We look forward to completion of the Precinct Redevelopment and to joining in the celebrations at that time with our own event as an integral part of proceedings. The issue of water storage has yet to be finalised but Council has guaranteed that the Club will have at least the same volume of water available as that in our present tanks. Maybe we won't be holding another Open Day specifically to launch a new water management system – but there certainly will be much to celebrate at that time.

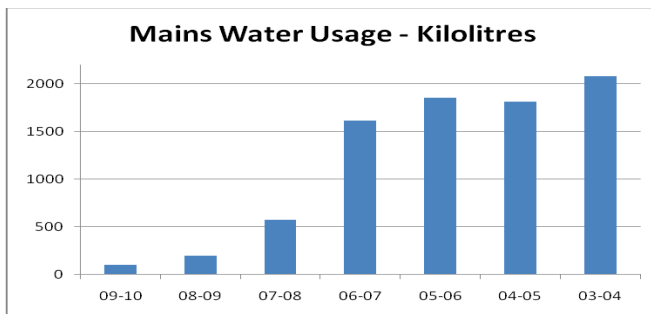

Neil Pearce

WATER

David Neyland

Stage 3a Victorian Government water restrictions were again in operation for the entire year. Despite the potential for such restrictions to severely impact Club activities, we have been fortunate to operate with no disruption. This has been due to the Club's water management system developed in early 2008.

The system involves the harvesting of water in conjunction with the treatment of the courts with magnesium chloride. The outcome of these two components has seen the Club's annual use of mains water decrease from an historical average usage of over 2,000,000 litres to just 104,000 litres in the last year. This is also a major reduction from the prior year – nearly halving usage. The graph depicts mains water usage over the last seven years:

The Club harvested 290,000 litres of water from the three tanks in 2009-10, compared to 256,000 litres in the previous year.

TENNIS VICTORIA

Susan Chambers

The Club was a member once again on the Council of Tennis Victoria, as indeed it has been a member of this and its various predecessors governing tennis in Victoria for most of the Club's life. There are four meetings each year, plus an AGM (normally in October). The last meeting of the year usually includes a dinner at Royal South Yarra Tennis Club to celebrate Christmas and the New Year.

The Council talks a great deal about finances, committees, Tennis Australia, pennant and tournament competition, clubs and associations, junior and country tennis. Over recent years some discussion has been more particularly about water usage and the drought, the decreasing number of members of clubs, and the difficulty of collecting player registration fees from some clubs (not Hawthorn).

This year (starting from the 2009 AGM) was a highlight for Hawthorn Tennis Club as we were very pleased to nominate Robert Payne for a Tennis Victoria Tennis Service Award, which he was duly awarded at the final meeting of the year. To put the award in context, in Victoria over the past 30 years there have been less than 70 recipients. A key to the nomination was that: "Robert Payne's leadership and unstinting dedication to the continued success of Hawthorn Tennis Club, particularly over the past twenty (20) years, including the countless hours spent on Club affairs, Club maintenance, and some small portion on actually playing tennis, have translated into a friendly and thriving Club environment with a healthy financial outlook".

For his sins, Robert is now a member of the TV Pennant Committee.

SELECTION AND COMPETITION

David Sartori

The club experienced a tough period of competition over the last two seasons. There was only one really significant result, the Mixed Rubbers Section 1 Summer team winning the flag in the Bayside Region Summer Competition for 2009-10.

Captained by Robert Payne, the team also comprised Aniket Ghaskandi and Andrew Simpson for the men and Mary-Jo Durrent, Tiffany Gourley, Nadine Maloney and Sue Ryman-Kiernan for the ladies. While each of the other teams competed well in their respective sections, one team in each of Mixed Rubbers, Ladies Rubbers and Mens Rubbers, they were not able to make the finals.

Our Winter Pennant teams also had a tough time of it in 2010, with players meeting stronger than expected competition in the various sections. We are particularly proud of our top men's team, who for the first time in many years were able to form a Grade 1 team.

The team was then thrown in to the strongest section within Grade 1, which itself was a result of the newly formed State Grade/Grade 1 merger, thus taking on many State Grade players. They acquitted themselves extremely well, considering they came up from Grade 3 the previous year. The Club entered seven teams in all for Pennant this year: three Mens, three Seniors and one Womens Open Doubles.

The Selection Committee is conscious of the difficult results this year, and is looking into a more consistent team and player allocation, so that all teams and players enjoy closer competition and a more enjoyable season. We will also be communicating with both Bayside and Tennis Victoria competition organisers, as the last few seasons have seen a marked change in team gradings and competition levels.

As always, the Selection Committee greatly appreciates the efforts of all players and particularly the captains, for the continued smooth organisation and 'last minute chasing' when someone gets injured (inevitably a day/hour before play!). The Committee also wishes to remind captains and team members to contact them for any difficulties in fielding teams or for any other assistance.

We are always looking for increased participation: especially now, when the Club seems to be fielding a greater variety of teams and standards. If you are wishing to enter competition for the first time, or re-enter after a long period, we are only too happy to help. That way, we can all continue to enjoy the challenge and achievement of competition tennis.

CLUB CHAMPIONSHIPS

David Sartori

The Club has a new back-to-back winner of the Open Mens Singles Championship this year, with Aniket Ghaskadvi defeating Sam Thompson in straight sets. On the other hand, MaryJo Durrant could not do the same in the Womens Singles, going down in a tight tussle against a former winner, Nadine Maloney.

Andrew Simpson ran the championships in a very smooth manner, and the Club extends its thanks both to him and to all the people who helped make these the best championships in some years. A little disappointing, nevertheless, that there were not enough entries to make it worthwhile holding the Womens and Mixed Open Doubles events. This stood in contrast to the large fields in the Singles. Mens Graded Doubles has yet to be finalised, but will involve A & J Clowes and A & N Kotros – very much a two-family event.

The Club's Handicap Championships are expected to commence a little later in the current calendar year.

Club Championships, 2010:

	Winners		Runners-Up	
Mens Open Singles	A Ghaskadvi	def.	S Thompson	6-2 6-2
Womens Open Singles	N Maloney	def.	MJ Durrant	6-4 6-4
Mens Open Doubles	D Marshall/B Webb	def.	M & S Thompson	6-3 6-2
Womens Open Doubles	not held			
Mixed Open Doubles	not held			
Veterans Open Doubles	L Schwarz/A Simpson	def.	J Clowes/R Payne	6-4 6-4
Presidents Cup	S Aitken	def.	C Kerr	6-4 6-4
Womens Graded Singles	C Mukhtar	def.	S Beanham	6-2 6-3
Mens Graded Doubles	to be finalised			
Womens Graded Doubles	E Cooper/C Mukhtar	def.	B Don/J Wainwright	6-0 6-0
Mixed Graded Doubles	S Chambers/J Clowes	def.	J Clough/A Simpson	7-5 3-6

Membership numbers have remained relatively constant compared with the prior year.

There were 18 membership enquiries via our website. These enquiries converted to eight memberships, which was an improvement on last year. Other requests via our website were in relation to court hire and tennis lessons.

During the year we sent follow up letters to those members who joined on the Open Day but have not been using the Club's facilities since that time. There was, however, only a limited response to our letters.

The Club continues to be fortunate in that members for the most part are very active. They also range across very broad spectrums of both age and the standard of play. So this should be an inducement for others to turn up whenever convenient and get an enjoyable game. We welcome new members at all levels and in all categories, but are particularly keen to increase the numbers of Junior and Mid Week members.

All members are encouraged to actively promote our club with the aim of increasing membership.

FINANCES

David Neyland

The current year has seen a surplus of just under \$3,000. This is a favorable result when compared to the budget, which anticipated a small surplus of just over \$1,000.

The result is a solid outcome when compared to the prior year and is due to overall cash receipts remaining steady at \$35,000 combined with a reduction in cash payments. This reduction can be attributed to the fact that in the current year the Club did not incur any major costs on court top dressing or line repairs, which had a very significant impact in the prior year.

Wilma Anderson has continued her role in managing cash receipts and payments. This role is very time consuming, given that the responsibilities include many functions such as managing the Club's membership database. The role of the Treasurer is made very easy because of this outstanding contribution.

HAWTHORN TENNIS CLUB INCORPORATED

STATEMENT OF CASH RECEIPTS AND PAYMENTS FOR THE YEAR ENDED 30TH JUNE, 2010

MID-WEEK TENNIS

Wilma Anderson

There are no teams entered in local competition, which reflects the fact that mid-week competition unfortunately has been on the decline for some time. Its revival at the Club would be good.

On the other hand, we have social groups playing on Wednesday and Friday. Courts are available for members wishing to form their own social groups.

Reminding members once again – the entire car park is now subject to a two-hour parking limit. It is important that members display the Permit Card on the dashboard of their car. Cards are available at the Club House. The Club is not responsible for any infringements incurred.

Taking a break from tennis on a recent Wednesday
(l to r) Wilma Anderson, Lynn Heath, Mike Crabb, Roy Phillips, Neil Pearce, Janet Wainwright, Peter Robinson, Lorraine Thomas, Virginia Holmes, Robert Payne, Elaine Cooper, John Pettitt, David Abbott and Peter Don

NIGHT TENNIS

Peter Scott

Hawthorn continued to maintain its high rate of participation during the past year. Three or four teams per season have fully utilised all courts on Mondays, with all players enjoying both tennis and social aspects.

Summer 2010:Section 1 Open (Nightowls) were Runners-up, along with Section 4 Open (Stealth). Many thanks, and well done, to all members who played throughout the year. Thanks also to all those who filled when required. The Club also appreciated the patience of team members at the start of this year when only three courts were available because of fencing and reconstruction work.

It is pleasing to see many new players. Thanks to all team members and those filling in at the last moment: their willingness made the organization of night tennis so much easier.

The new season is now under way. As night tennis also acts as a social event, all members are encouraged to participate.

WORKS AND MAINTENANCE

Robert Payne

The Club has had a busy year with works. We have given over some land on the north side to the Council in exchange for some work, including fencing and reconstruction. The effect will be that Court 4 becomes the same as Courts 5 – 7. Soon there will be shade clothing right along the new area. Hopefully, the changes will have no impact on shade and will not increase the supply of gum nuts.

Replacement of remaining inner and outer fencing is intended as soon as possible, subject to the restrictions of budget.

All members of the Club are required to assist in the maintenance of the courts. Both Tennis Australia and Tennis Victoria hope that clubs will retain porous courts. This is because they are so like European clay courts, they are much easier on the body, they can last for up to 50 years if well maintained and they give players a well-grounded ability to compete on any surface.

Members should know that no synthetic court on the market is guaranteed for more than ten years, that they cost between \$30,000 and \$40,000 to build and there is a similar cost for replacement or rebuilding. We have courts still playing well after 50 years.

The secret to a long court life is for players to never play on a court which is too dry or too wet, to wear correct shoes, to ensure consistent dragging and to water the courts at least every 30 minutes during warm weather.

They are your courts, so DO THE RIGHT THING.

LOST AND FOUND

Neil Pearce

First place in the year's most surprising events surely goes to the Club's recovery of an engraved trophy for its 1931 Men's Singles Handicap, won by one H Andrew.

The Secretary chanced to receive a phone call at the Club advising that the caller had found the trophy at the tip in Howlong, NSW and would we like it back? It soon arrived in a nicely packed box – but with no sender details.

Clearly looking towards a new career in investigation, the Secretary rang the Howlong Post Office. The very helpful staff remembered the transaction but also that the sender wanted anonymity, so they suggested contacting the local paper, the *Howlong Grapevine*.

Grapevine thought it had the makings of a good story, the Secretary responded with a Letter to the Editor expressing the Club's gratitude and the whole event duly appeared in a full page of the July 2010 edition.

The letter provided contact details for any queries or comments and we were fortunate to then take a call from a family member. We learned that Harold Stephen Andrew (1889 – 1972) formerly lived in Balwyn, played pennant, was involved also with Grace Park and did a considerable amount of coaching. Remarkably, this ties in with an entry at page 60 in the Club's *Hawthorn Tennis Club 1905 – 2005 A History*:

"The Argus reported the success of the D Grade ladies win against Glen Iris. The match was won 7 rubbers to 1. In the Singles Mrs R Tasker and Mrs H Andrews (sic) showed fine driving and volleying ability. Mrs Beryl Lund and Miss J Scott were Hawthorn's other players. Regrettably, this was to be the Club's last success in pennant for 25 years."

President Payne had his polishing cloth out within five minutes of seeing the cup and it now sits in the trophy cabinet.

Have a look at this little piece of our history when next at the Club. And keep an eye out when next fossicking at your local tip.

Howlong Tip to Hawthorn TC Trophy Cabinet

SOCIAL

Janet Wainwright

Having survived a first year as Social Secretary, thanks go firstly to the team that greatly underpins all the events and gatherings that we organise. Without the support of Cathy and Nameer Mukhtar, Andrew Simpson, John Clowes, Eileen Cooper and Jan Vanston, I would not be in a position to organise a cup of tea! Greatly appreciated.

The “red and green” Christmas party on Sunday 13 December last year was a well attended affair with plenty of food and drinks flowing, including, once again, Margaret Farrow baking her delicious carrot cake, large enough to feed the entire denizens of Hawthorn. Trophies and awards were given out for Men’s and Women’s club single champions, handicapped doubles, junior winners and mixed doubles winners also. The raffle was a sell out with Sandra Beanham winning the major hamper AGAIN...Thanks to social club members for assisting with food preparation and waiting duties.

Another rather fun night was the Games night, held on Saturday 14 August. An assortment of games, including scrabble, mini golf, carpet bowls, quoits, darts, pick up sticks and 500, were all played with great gusto, (especially at the scrabble board by Robert Payne and Neil Pearce). The highlight of the night was Celebrity Heads, where all participants played with good humour and great imagination. Thank you to all social committee members for help in making this an enjoyable night.

Our next function coming up very shortly is the Cocktail Dance on Saturday 16 October, where once again, we shall have the fantastic Rathdowne Street Big Band playing our favourite dance tunes to boogie away the evening. Catering is in the (clean) hands of chef extraordinaire, Robert Payne.

Should any club members have suggestions for upcoming social functions, please do not hesitate to share them with the social committee; we are all ears!

Please mark off Sunday 5 December in your diary, as the annual Christmas Party is looming fast; the Club looks forward to seeing you all then.

Birute Don, Nemeer Mukhtar and John Clowes concentrating ferociously at Scrabble – Robert Payne is (momentarily) perhaps elsewhere?

COACHING

Robert Viavattene

Since the middle of 2009, the coaching program was able to maintain solid numbers with regards to enrolments and participation. Most students have shown significant improvement and the coaching staff is working hard to strongly encourage those students to play competition for the club if they are ready to do so.

Clients have been happy with the staff's professionalism and coaching standard, which in turn helps to generate new enrolments, mainly through word of mouth. This remains the strongest form of advertising to encourage more enrolments into the coaching program.

The beginning of 2010 looked to introduce more adult clientele into the program. A Mum's Tennis Program subsidized by Tennis Victoria was implemented, whereby ladies paid just \$15 for a 5-week program. Some 20 ladies joined in the program, with eight to ten of those continuing on for more coaching after the program finished. A Monday Morning Ladies Social Tennis Day was set up, with at least one or two of these ladies looking to play Monday Night District Tennis.

The main objectives of the coaching program were to maintain good coaching numbers and provide high quality coaching. The challenge moving forward for the new Head Coach will be to continue searching for more girls to introduce into the program, thus leading into Junior Competition. Also, forming a new adult Monday Night Team is strongly encouraged as there are enough adults participating in the program at present.

Finally, I would like to bid farewell to all members of Hawthorn Tennis Club, as I will be embarking on a new working adventure. Thank you all for supporting me as Head Coach of the Club and I wish you all well with your tennis.

JUNIOR TENNIS

Robert Viavattene

The juniors were involved in Eastern Region Tennis Competition once again.

During the winter of 2009, the club fielded two teams, all of them boys, to play for the season. The Section 3 Team made the finals, which was a great effort, but unfortunately they did not go beyond this stage. The semi-final was close, with the boys unable to win the important moments of the match. The Section 4 team just missed out on the finals.

The Boys S3 team in Winter 2009 went so close to a Grand Final
(l to r) rear: Nick Morgan-Ellis, Michael Mukhtar, front: James Macleod, Matthew Mukhtar, Jake Ginnivan.

The Summer Season of 2009-10 saw three teams entered. Again, Section 3 and 4 teams were represented and also Section 8. Unfortunately only the Section 3 team made the finals, losing in the semi-finals. The Section 8 team was made up of a few new faces; those boys will have gained some valuable match play experience to hold them in good stead for future seasons. All boys from all sections displayed great tennis etiquette throughout the season, respecting their opponents and becoming fine ambassadors for Hawthorn Tennis Club.

The current Winter Season again has three boys teams and all are progressing well. The upcoming 2010-11 Summer season will see three boys teams fielded as well as a mixed team, which is very exciting. There will be lots of new faces, particularly the girls, who will be playing their very first season. The aim was to enter a girls team only, but there was not enough interest. A mixed team, however, will enable the children to gain some good mixed doubles experience.
