From The Committee

This year has seen many milestones being achieved. Our public court hire has been at its best ever with many players attending on a regular basis. Monday night fixtures have seen the return of a few old players with a few new faces coming along as well. Our Vets Tennis has grown in numbers with about fifteen players coming along each month to enjoy a fun day and catching up over afternoon tea.

Thanks also to all the Tuesday morning ladies who have been keeping our clubhouse clean and tidy each week with Ian from Jimbeau Farm Services keeping our grass and gardens in great condition

We have experienced a growth in club membership with our junior numbers growing very quickly. This has been cultivated by the wonderful efforts of Pro Performance Tennis in establishing a solid junior coaching program suited to all ages from the age of 4 years old.

The Junior Hotshots Program has also been re-established with junior fixtures also returning to the club and the recent Hotshots Tournament attracting 23 competitors who all put their skills to the test. Congratulations to all the winners on the day.

Many thanks to Coach Paul and his team for a very successful junior program and we look forward to bigger and better things next year.

Our break up day which was held on November 30, 2014 saw about 30 adults and 30 children coming along to have a very enjoyable day with free tennis activities, table tennis, bbq and a jumping castle which proved to be very popular for young and old.

We hope you all have a safe and enjoyable Christmas & New Year and look forward to seeing you all next year with most social tennis activities re-commencing from January 6, 2015.

Resignation of Secretary

As I have now moved out of the area, I will no longer be continuing my membership with Jimboomba Tennis and therefore will not be eligible for re-election. This means that the position of Secretary is now open.

As this role is one of the busiest, it is imperative that this position be filled for the club to continue. Should you have any queries please feel to contact me on 0407 146 428.

I have thoroughly enjoyed the challenges and achievements in establishing the new club grounds and am really pleased to see numbers now on the rise again after spending much time resolving a number of issues as well developing many new processes to ensure solid continuity and growth of the club.

I will definitely be dropping in to say from time to time and wish the club well in its future endeavours.

Kind regards
Leanne Lappin
