From The Committee

We would like to welcome everyone back from their Christmas break and hope you all enjoy your tennis in 2015.

Last year we welcomed Pro Performance Tennis to provide coaching services and co-ordinate junior tennis, as well as variety of other tennis activities for the club. With coaching constantly increasing and the return of junior fixtures, it is hoped to form a Junior Representative Team to participate in interclub challenges so please contact Paul if you are interested.

Paul has lots more tennis activities planned for the club so keep an eye out for more details.

Jack Hunnerman has done a great job at reinstating Mens Tennis on Tuesday nights with the intention of resuming fixtures when numbers permit, please call Jack if you would like to come along on 0407 742 485.

Susan Mahoney and Paula Cunliffe have also worked hard co-ordinating the return of Ladies Tennis on Wednesday nights. Contact Susan on 0408 931 657 for further information

We finished 2014 with a 50% growth in club numbers and look forward to this trend continuing.

Last week at our AGM the new Executive Committee for 2015 was elected with positions being filled as follows:

President:	Susan Mahoney
Vice President:	Peter Flynn
Secretary:	Michael Harth
Treasurer:	Rod Jamesion
Committee Member:	Di Connors

Feel free to talk to our committee members any time. We would love to hear from you if you have an idea you would like to suggest. If you cant reach us, you can email jimboombatennis@hotmail.com or write your question/feedback in the communication book at the clubhouse.

Can you help us?

With club numbers growing so is the demand for more help. Are you able to help with the following

- Assist with junior activities (especially when junior fixtures or tournament days are on – can you help in the canteen, help out with the barbeque or supervise kids games – this allows our coaches to focus on the needs of the players.
- Help out with club maintenance – are you a specialised tradesman, or would just like to help out from time to time, if so please let us know so we can call on you for help when needed
- Have you had grant writing experience or are willing to learn (training provided free of charge by council). This would be very helpful
- Take on the role of co-ordinating fundraising activities or simply help out when fundraising activities/tournament days are happening
- Write the club newsletter for us
- Do you have some other way you can help?

Call 5540 3036 if you can help in any way, send us an email or leave a note in the communication book at the clubhouse.

If your primary goal is to improve your fitness and have some fun while at it, then this is the right class for you!
