March/April 2015

www.tennis.com.au/Jimboomba

Maintenance has been the focus during March and April with a number of overdue projects being completed.

Gas has been connected to the existing hot water system now providing hot water to both sinks in the clubhouse. I am sure the Tuesday morning ladies will welcome this improvement. Many thanks to one of our Tuesday night players, Nathan Slack from **Plusgas**,

Lights on courts one and four have been repaired much to the relief of the Monday night fixture players who have struggled with the partially lit courts for two of three nights. Sorry for the delay but finding an electrician willing to work 8metres up was a problem. Thanks to **Rhys Brown Electrical** Beaudesert for coming to our aid.

Signage at the entrance to the courts has been replaced. Thanks to Blayne Chalmers from **S4Signs** for his assistance and patience during this project.

James Johnson from Rhys Brown Electrical repairs lighting at the courts while Phil Connors lends support from the ground.

New sign being erected at the court entrance on Henderson Road.

Note from the President

The club has launched its brochure and they are available from the clubhouse.

We would love you to share the brochures at your workplace, so please see Susan Mahoney for some if you are able to display some at your workplace. Secondly the club is on Facebook so I would love it if you could like our page or send a friend request to stay up to date with what is happening.

Thanks, Susan
