

TREASURERS REPORT AGM AUGUST 14th 2012

Marion Ciopicz, our Auditor is away until October, so we have not been audited yet. When he returns and the audit has been done, the official profit and loss will be distributed.

This financial year we have made a small profit of \$394.08, which is slightly down on last year. We've bought glasses which have been used for the previous two seasons and should cover the next three seasons, so next financial year should be more profitable.

The team registration fees were raised from \$15 to \$25 to cover the cost of the tennisscores website (as well as trophies and pennants). Somehow we managed to get the first two seasons free and being a small user, our fee for the current season was only \$90 (which will be shown in the next financial year).

At the time of writing this, there is only one outstanding fine from summer 2012 season. Forfeits seem to be less with the raising of the fine from \$5 to \$20.

I have enjoyed this year, being involved in the running of the Association and look forward to another year.
