

PRESIDENTS REPORT MOUNTAIN DISTRICT TENNIS ASSOCIATION 1979/80.

I feel that we can all look back over the past twelve months and be pleased that the decision to start up our tennis association was made. With more clubs continuing to take an interest and join our numbers and an increasing amount of teams playing in the second season the success of the Association seems assured. This year saw a short winter season conducted between the second school term with a longer summer season. Two sections vied for premierships with a Consolation final being held in the second section for teams finishing 7th to 10th. I believe the two luncheons held on the Grand Final days add to the social success of the Association and should be continued in the future.

At this time I should like to offer my personal thanks and the thanks of the Association to Mrs. Barbara Butinar for her excellent job as Secretary for this past year. Also my thanks to Mrs. Teddy Davis for carrying out the Treasurer's tasks and to the match and permit committee for the part.

I wish the incoming Committee continued success with their task of keeping the Association growing and most importantly keeping up the goodwill that has grown amongst the players during this inaugural season.
