► RE: Emergency Players

If you wish to use an emergency player who is not registered on the Emergency Player List, you **MUST** get permission from a member of the Match & Permit Committee (listed on the last page) who is **NOT** a member of your own club.

Once you have that permission, they are then a **registered emergency**.

You don't need further permission to play them again.

Don't forget to enter their details on the bottom of the Match Result Sheet the **first time** they play.

DO NOT enter results online when you play a newly registered player.
