

ALICIA MOLIK CUP 2013

The Alicia Molik Cup took place on April 13th and 14th at Kooyong Lawn Tennis Club.

Our team was well presented by Jemma Carbis (Eaglemont), Clare Candido (Regent), Cooper White (Eaglemont) and Jasper Collins (Rosanna).

We were placed in a group with North East Victoria, Barwon and Peninsula. Following the round robin matches our team finished on top which placed us in the play off for position 1 to 4.

We met a very strong Waverley team that beat us 5 rubbers to 1 which put us into the play off against Bayside Moorabbin. Whilst we didn't quite get over the line the team played a brand of tennis that was to be admired. This was a great performance by our team to finish 4th as three of our players qualify to play this event again next year if selected.

Thank you to Peter Collins for managing the team over the weekend and to all of the parents that supported the kids
