State Teams Championships  
Cessnock Tennis Centre

# Welcome

On behalf of Tennis NSW I would like to welcome all players, their families and supporters to the beautiful Cessnock for the 2017 NSW 10/U State Teams Championships.

Tennis NSW believe that to be selected to participate in this event is a great honour and testament to each of you. We trust that you will all take great pride in representing your region and in doing so uphold the best qualities of sportsmanship and teamwork.

These teams events provide a rare opportunity for players to experience a Fed Cup and Davis Cup like format where team managers are on court to guide players through the event. We hope that all players will appreciate and take advantage of the knowledge and experience of their team managers.

I would like to thank all of the people who have put time and effort into making this event possible. I would especially like to thank Carol Langsford for her hard work and unwavering commitment to the Championships. Thank you to Nancy Langworthy and the Cessnock Tennis Centre for being such welcoming hosts and also a special thank you to our Referee Gordon Munro for your support of the Championships.

To all of the parents, thank you for supporting your children's tennis and bringing them to Cessnock to make this weekend possible.

I hope that this weekend each of you will support your children with a focus on development and encourage great sportsmanship.

Lastly I would like to wish all players and their teams good luck for the weekend.

Enjoy your matches, play fair, use this weekend as a learning opportunity and most importantly have fun!

**Michael Spry**

**Tennis NSW Leagues Coordinator**

It is with pleasure that I welcome you to the Dorn Fogarty Cup & John Whittaker Cup at the NSW 10/U State Teams Championships. I would like to thank Cessnock Tennis Centre who have supported these events over a number of years. Without your support Tennis NSW would not be able to hold such a fantastic junior tournament.

Tennis NSW provides a number of playing opportunities for junior athletes within our tournament pathway. We believe that these experiences enable junior athletes to not only Improve but to also learn about sportsmanship and team work. Playing in a team environment is something that every tennis player should experience.

There are a number of people who work together to make this event a success. Thank you to Nancy Langworthy of Cessnock Tennis Centre for providing such a wonderful facility. I also extend my thanks to Carol Langsford and Michael Spry who have spent numerous hours organising all aspects of the event. It is also important to acknowledge Referee Gordon Munro for his support of the event and the mentoring of the Team Managers which provides a unique experience for all players.

Lastly I would like to thank all of the parents, guardians and grandparents who have supported your player to the event. Your support is appreciated by the players and Tennis NSW. I wish all the players, team managers, officials and volunteers the best of luck.

# Dorn Fogarty OAM

The best illustration of the esteem in which Dorn Fogarty was held within tennis circles is through recognition of the honors which were bestowed upon her.

These honors include the award of an OAM in 1984 and a special Tennis Australia award for her services to the game in 1988. Dorn was also a Life Member of both White City Tennis Club and Tennis New South Wales.

Dorn's interest in the game began as a junior playing in Queensland where she was ranked number 1 in 1939/40. Dorn was also ranked number 3 in Australia; highlights of her career include making the Semi Finals at the Australian Open.

Her administrative career is unique, having been the first female Vice President of Tennis New South Wales and also a member of the Board of Directors from 1966-1994.

Dorn was also involved in tennis administration at a National level, having been a National Selector from 1985-1990, a member of the Tennis Australia Women's Committee from 1982-1988 and also a member of seven Davis Cup Organising Committees.

Dorn passed away in 2003.

# John Whittaker OAM

John Whittaker, Chairman of Tennis New South Wales from 1991-2007, has been involved in tennis at a competitive level since the age of 12 when he was part of the original junior coaching programs.

During his study of Pharmacy at Sydney University, John was the Sydney University champion and went on to be selected in the Australian representative team. In 1995 and 1996 John once again represented Australia as part of the Australian Von Crapp Cup team which finished third in the World Championship in both years.

John's enjoyment of the game also extended to a thirty year association with the Metropolitan Badge competition, winning the coveted 1/1 title twice with Strathfield and five times with Sydney Lawn.

His involvement in administration at country level commenced in 1970 when he was elected Vice President of Nepean District Tennis Association. In 1978, he was elected President of NSW Country Tennis Association, a position he held until 1989.

In 2002, John was awarded an Order of Australia Medal for his services to tennis.

Play-off Matches—All Players Involved

## Match Rules:

1.
  - a) A hit up of three minutes only is permitted. Play shall be continuous from the first service until the match is completed
  - b) The first team mentioned in the draw will collect the balls for each match.
2. Each match shall comprise four singles and two doubles, all being one tie-break (6 games all) set. In Doubles matches no advantage (or short deuce) scoring will be used. Therefore if the game is tied at deuce, the players who win the next point win the game. The receivers will have the choice of the receiving side.
3. The manager or his/her nominee shall be permitted to occupy a seat at courtside and to instruct his/her team during the change of ends. Parents are not permitted to manage teams which contain their son or daughter. One manager only is permitted on court for each team. When two courts are used the managers are to sit between the two courts.
4. If players make obvious incorrect line calls their team managers may correct the call.
5. Players in each team shall be ranked in order of merit and this relative order shall not be altered through out the competition.
6. Immediately after the completion of the final doubles set in each match, the manager of the winning team must report the match result and the results of all sets and return the balls to the person in charge at the match controller's desk.
7. Should any match be interrupted, players should note:
  - The player serving and from which end.
  - The state of the match and the score of any unfinished game.
8. The order of play for all matches shall be: No.1 Singles, f/b No.2 Singles, f/b No.3 Singles, f/b No.4 Singles, f/b No.1 Doubles, f/b No.2 Doubles.
9. To determine the doubles order, players' singles rankings should be added together and the pair with the lowest total must play No.1. If the totals are equal the Manager/ Manageress can decide in which order the pairs play.
10. The team which wins the majority of sets in a match shall be declared the winner of that match. If sets are equal the team which wins the majority of games in that match shall be declared the winner.
11. The team winning the greatest number of matches shall be the winner of their pool. If two or more teams have won an equal number of matches the result shall be decided as follows:
  - a) By calculation of the percentage of sets won to sets played, and if still equal then,
  - b) The percentage of the games won to games played;
  - c) If the teams are still equal, the managers should nominate a Doubles pair who will play a tie-break.
12. Depending on time constraints, only the Singles matches may be completed in the play-off matches other than those for the Cups
13. All players will be involved in play off matches, which will be conducted as follows: 1st team in pool A vs 1st team in pool B playing for the John Whittaker Cup or Dorn Fogarty Cup. 2nd team in Pool A vs 2nd team in pool B etc.. Matches determining the winners of the Cups may only be played to a result.
14. Should the play-off for the John Whittaker and Dorn Fogarty Cup result in a drawn match, joint winners will be declared.
15. The decisions of TA / Tennis NSW or the tournament committee will be final and binding on all parties (including relevant players) and no one will have the right to appeal against or otherwise challenge such decisions.

## Rules for non-umpired matches

- a) Each player is responsible for all decisions in his/her half of the court. He/she should be completely honest on all "calls" but, if in doubt, he/she should give his/her opponent the benefit of the doubt and play the ball as good. You should not play a let.
- b) It is your obligation to call all balls on your side, to help your opponent make calls when the opponent requests it, and to *call against yourself* (with the exception of a first service) any ball that you clearly see out on your opponent's side of the net.
- c) Any "out", "let" or "fault" call must be made immediately (i.e. Made before his/her opponent has hit the return or the return has gone out of play); otherwise the ball continues in play. "Calls" must be verbal and clearly audible to the opponent, followed by a signal if necessary. "Let" may be called by any of the participating players (See h. below) .
- d) On all court surfaces, except clay (see (g) below) if a player incorrectly calls a ball "out" and then realises that the ball was good, the point should be replayed on the first occasion (involuntary hindrance) and the point lost on each subsequent occasion (deliberate hindrance).
- e) In doubles, when returning service, the partner of the receiver should generally call the service line for him/her. The receiver should generally call the centre and side service lines.
- f) If players cannot agree on the score, they should calmly discuss the points, games that are in disagreement. If they cannot reach an agreement they should replay only the points or games in question. All points or games which the players agree stand e.g. two players cannot agree on whether the score is 40-15 or 30-30, but agree on the winner of the first, second and fourth points. Therefore only the third point needs to be replayed.
- g) Players are prohibited from checking the mark of the ball on their opponents side of the court, unless invited by their opponent to do so. Ball mark inspections are only permitted on clay courts. On clay courts if a player incorrectly calls the ball "out" and then realises that the ball was good, the player who called the ball "out" loses the point.
- h) Where the ball interrupts play, either by rolling/bouncing onto the court, and/or creating a visible interruption behind the court a let should be played.  
If a player hinders his/her opponent it can be ruled voluntary or deliberate.
  - a) When a player has created an involuntary hindrance (ball falling out of a pocket, hat falling off etc.), the first time a "let" should be called and the player should be told that any such hindrance thereafter will be ruled deliberate.
  - b) Any hindrance caused by a player that is ruled deliberate will result in the loss of a point.

## *Etiquette*

- a) When ball persons are not available, all balls on your side of the net are your responsibility, to pick up and, where appropriate, return directly to the server.
- b) The receiver should not return the first service if it is an obvious fault—let it go by or ground it.
- c) Do not enlist the aid of spectators, including parents, coaches etc, in making line calls, or attempting to determine other on-court matters.
- d) To avoid controversy over the score, the server should announce the game score before starting a game and the point score prior to serving for each point.
- e) Wait until a point is over before walking behind a court where a match is in progress.
- f) To retrieve a ball from another court or to return a ball to another court, wait until the players have completed a point.
- g) Do not stall, sulk, complain nor practice gamesmanship.
