Jan O'Neill Cup
&
Tony Roche Cup
12/U New South Wales
State Teams Championships
Bathurst Tennis Centre

Welcome

On behalf of Tennis NSW I would like to welcome all players, their families and supporters to the beautiful town of Bathurst for the 2017 NSW 12/U State Teams Championships.

Tennis NSW believe that to be selected to participate in this event is a great honour and testament to each of you. We trust that you will all take great pride in representing your region and in doing so uphold the best qualities of sportsmanship and teamwork.

These teams events provide an opportunity for players to experience a Fed Cup and Davis Cup like format where team managers are on court to guide players through the event. We hope that all players will appreciate and take advantage of the knowledge and experience of their team managers.

I would like to thank all of the people who have put time and effort into making this event possible. I would especially like to thank Carol Langsford for her hard work and unwavering commitment to the Championships. Thank you to the staff and volunteers of the Bathurst Tennis Centre for being such welcoming hosts time after time and also a special thank you to our Referee Stephen Gibson for your support of the Championships.

To all of the parents, thank you for supporting your children's tennis and bringing them to Bathurst to make this weekend possible.

I hope that this weekend each of you will support your children with a focus on development and encourage great sportsmanship.

Lastly I would like to wish all players and their teams good luck for the weekend.

Enjoy your matches, play fair, use this weekend as a learning opportunity and most importantly have fun!

Nikita Sayle

Tennis NSW Tournaments Coordinator

It is with pleasure that I welcome you to the Jan O'Neill Cup & Tony Roche Cup at the NSW 12/U State Teams Championships. I would like to thank Bathurst Tennis Centre who have supported these events over a number of years. Without your support Tennis NSW would not be able to hold such a fantastic junior tournament.

Tennis NSW provides a number of playing opportunities for junior athletes within our tournament pathway. We believe that these experiences enable junior athletes to not only improve but to also learn about sportsmanship and team work. Playing in a team environment is something that every tennis player should experience.

There are a number of people who work together to make this event a success. Thank you to Andrew and Fran Mitton, the Committee and volunteers of Bathurst Tennis Centre for providing such a wonderful facility. I also extend my thanks to Carol Langsford and Nikita Sayle who have spent numerous hours organizing all aspects of the event. It is also important to acknowledge Referee Stephen Gibson and Jan O'Neill for their support of the event and the mentoring of the Team Managers which provides a unique experience for all players.

Lastly I would like to thank all of the parents, guardians and grandparents who have supported your player to the event. Your support is appreciated by the players and Tennis NSW. I wish all the players, team managers, officials and volunteers the best of luck.

Jan O'Neill

Ranked number 1 in Australia in 1960 and in the top five from 1960-1964, Jan was the first Australian female player with a double-handed backhand. She was a four time finalist to Margaret Court in the Australian Championships (1960-1963) and won the Australian Mixed in 1960 and 1961.

A strong and determined baseliner, Jan was the first female with a double handed backhand to compete at Wimbledon.

Jan led the way for Australian overseas women's touring teams, first touring overseas privately in 1960 and winning nine European titles. The following year, Tennis Australia sent the first official Australian women's touring team overseas. Partnered by Margaret Smith, Jan was runner-up in the Wimbledon doubles and for three years was ranked in the top five in the world.

Raised on a property near Grenfell, Jan inherited her love of tennis from her father Reuben and her mother Enid.

As a junior, Jan had no peer, winning her first State title at 11 years old (13/U division) and amassing 30 titles during her junior career which also included two Australian Junior Singles and three Australian Hardcourt Junior Championships. Jan was undefeated throughout her junior career.

In 1962-1964, Jan again toured with the Australian team and returned home with a

swag of titles. Jan was also a member of the inaugural Australian Fed Cup team in 1963.

Marriage to leading administrator, the late Jim O'Neill, and the birth of daughter Lisa, curtailed Jan's career in the late sixties but she came back better than ever and continued to claim titles.

In 2012 Jan was an Inductee into the Arena of Champions during the Apia International Sydney.

Tony Roche

Tony was runner-up to Rod Laver in the first Open Wimbledon Singles Final and was twice runner-up in the US and French Singles. He played Davis Cup for Australia from 1964-1979.

Teaming up with John Newcombe, Tony formed one of the greatest doubles combinations of all time, winning 5 Wimbledon, 1 US Open, 4 Australian Open and 3 French Open titles as well as countless other events.

At the conclusion of his career in 1979, Tony commenced a coaching career which included a lengthy stint with then world number 1 Ivan Lendl and in 1994. Tony reunited with John Newcombe as Coach and Captain of the resurgent Australian Davis Cup team, with Australia claiming the Davis Cup under their guidance in 1999.

Having guided world No.1 Roger Federer to many Grand Slam successes, Tony continues to make a great contribution to Australian Tennis.

Tony was introduced to tennis on a court at the back of his father's butcher shop in Tarcutta. Coached by Wagga Wagga's Bill Williams, he came through Regional Coaching Clinics to the advanced schools at White City.

Australian Junior Champion in 1964, he burst onto the international scene when he won the Italian Singles in 1966, a few days short of his 21st birthday. Within weeks, he had won the French Open Singles.

Play-off Matches—All Players Involved		Play-off Matches—All Players Involved	

Match Rules:

1.
 - a) A hit up of three minutes only is permitted. Play shall be continuous from the first service until the match is completed
 - b) The first team mentioned in the draw will collect the balls for each match.
2. Each match shall comprise four singles and two doubles, all being one tie-break (6 games all) set. For doubles matches no-advantage (or short deuce) scoring will be used. Therefore if the game is tied at deuce, the players who win the next point win the game. The receivers will have the choice of the receiving side.
3. The manager or his/her nominee shall be permitted to occupy a seat at courtside and to instruct his/her team during the change of ends. Parents are not permitted to manage teams which contain their son or daughter. One manager only is permitted on court for each team. When two courts are used the managers are to sit between the two courts.
4. If players make obvious incorrect line calls then managers may overrule.
5. Players in each team shall be ranked in order of merit and this relative order shall not be altered through out the competition.
6. Immediately after the completion of the final doubles set in each match, the manager of the winning team must report the match result and the results of all sets and return the balls to the person in charge at the match controller's desk.
7. Should any match be interrupted, players should note:
 - The player serving and from which end.
 - The state of the match and the score of any unfinished game.
7. The order of play for all matches shall be: No.1 Singles, f/b No.2 Singles, f/b No.3 Singles, f/b No.4 Singles, f/b No.1 Doubles, f/b No.2 Doubles.
8. To determine the doubles order, players' singles rankings should be added together and the pair with the lowest total must play No.1. If the totals are equal the Manager/ Manageress can decide in which order the pairs play.
9. The team which wins the majority of sets in a match shall be declared the winner of that match. If sets are equal the team which wins the majority of games in that match shall be declared the winner.
10. The team winning the greatest number of matches shall be the winner of their pool. If two or more teams have won an equal number of matches the result shall be decided as follows:
 - a) By calculation of the percentage of sets won to sets played, and if still equal then,
 - b) The percentage of the games won to games played;
 - c) If the teams are still equal, the managers should nominate a Doubles pair who will play a tie-break.
11. Depending on time constraints, only the Singles matches may be completed in the play-off matches other than those for the Cups
12. All players will be involved in play off matches, which will be conducted as follows: 1st team in pool A vs 1st team in pool B playing for the Tony Roche Cup or Jan O'Neill Cup. 2nd team in Pool A vs 2nd team in pool B etc.. Matches determining the winners of the Cups may only be played to a result .
13. Should the play-off for the Tony Roche and Jan O'Neill Cup result in a drawn match, joint winners will be declared.
14. The decisions of TA / Tennis NSW or the tournament committee will be final and binding on all parties (including relevant players) and no one will have the right to appeal against or otherwise challenge such decisions.

Rules for non-umpired matches

- a) Each player is responsible for all decisions in his/her half of the court. He/she should be completely honest on all "calls" but, if in doubt, he/she should give his/her opponent the benefit of the doubt and play the ball as good. You should not play a let.
- b) It is your obligation to call all balls on your side, to help your opponent make calls when the opponent requests it, and to *call against yourself* (with the exception of a first service) any ball that you clearly see out on your opponent's side of the net.
- c) Any "out", "let" or "fault" call must be made immediately (i.e. Made before his/her opponent has hit the return or the return has gone out of play); otherwise the ball continues in play. "Calls" must be verbal and clearly audible to the opponent, followed by a signal if necessary. "Let" may be called by any of the participating players.
- d) On all court surfaces, except clay (see (g) below) if an athlete incorrectly calls a ball "out" and then realises that the ball was good, the point should be replayed, unless it was a point winning shot or unless that athlete made an incorrect "out" call earlier in the match. In these circumstances, the athlete who called "out" loses the point.
- e) In doubles, when returning service, the partner of the receiver should generally call the service line for him/her. The receiver should generally call the centre and side service lines.
- f) If a player cannot agree on the score, they should calmly discuss the points, games that are in disagreement. If they cannot reach an agreement they should replay only the points or games in question. All points or games which the players agree stand e.g. two players cannot agree on whether the score is 40-15 or 30-30, but agree on the winner of the first, second and fourth points. Therefore only the third point needs to be replayed.
- g) Players are prohibited from checking the mark of the ball on their opponents side of the court, unless invited by their opponent to do so. Ball mark inspections are only permitted on clay courts. On clay courts if a player incorrectly calls the ball "out" and then realises that the ball was good, the player who called the ball "out" loses the point.
- h) Where the ball interrupts play, either by rolling/bouncing onto the court, and/or creating a visible interruption behind the court a let should be played.
If a player hinders his/her opponent it can be ruled voluntary or deliberate.
 - a) When a player has created an involuntary hindrance (ball falling out of a pocket, hat falling off etc.), the first time a "let" should be called and the player should be told that any such hindrance thereafter will be ruled deliberate.
 - b) Any hindrance caused by a player that is ruled deliberate will result in the loss of a point.

Etiquette

- a) When ball persons are not available, all balls on your side of the net are your responsibility, to pick up and, where appropriate, return directly to the server.
- b) The receiver should not return the first service if it is an obvious fault—let it go by or ground it.
- c) Do not enlist the aid of spectators, including parents, coaches etc, in making line calls, or attempting to determine other on-court matters.
- d) To avoid controversy over the score, the server should announce the game score before starting a game and the point score prior to serving for each point.
- e) Wait until a point is over before walking behind a court where a match is in progress.
- f) To retrieve a ball from another court or to return a ball to another court, wait until the players have completed a point.
- g) Do not stall, sulk, complain nor practice gamesmanship.
