

NORTH EAST TENNIS REGIONAL SELECTION CRITERIA

Criteria for North East Region selections for representative teams & squads;

- Players must show commitment to the North East Region
- Players must participate in the NET 2016 JDS series or will not be considered for any representative teams event on the calendar
- Players are encouraged to participate in JT / AMT events within the NET Region
- Players can be selected in more than 1 team event per year if that player has earned selection, regardless of age criteria
- Performance measures are based across Australian Ranking points, JDS points/results and Head to Head results for selection, with no specific criteria being heavily weighted
- Code of Conduct on and off the court
- Players can be selected under “exceptional circumstances”
If a player deems they should be considered under this criteria, evidence will be provided to NET selection committee for consideration
- Players will be notified of selection per official advice by North East Region or TNSW and selections are strictly confidential
