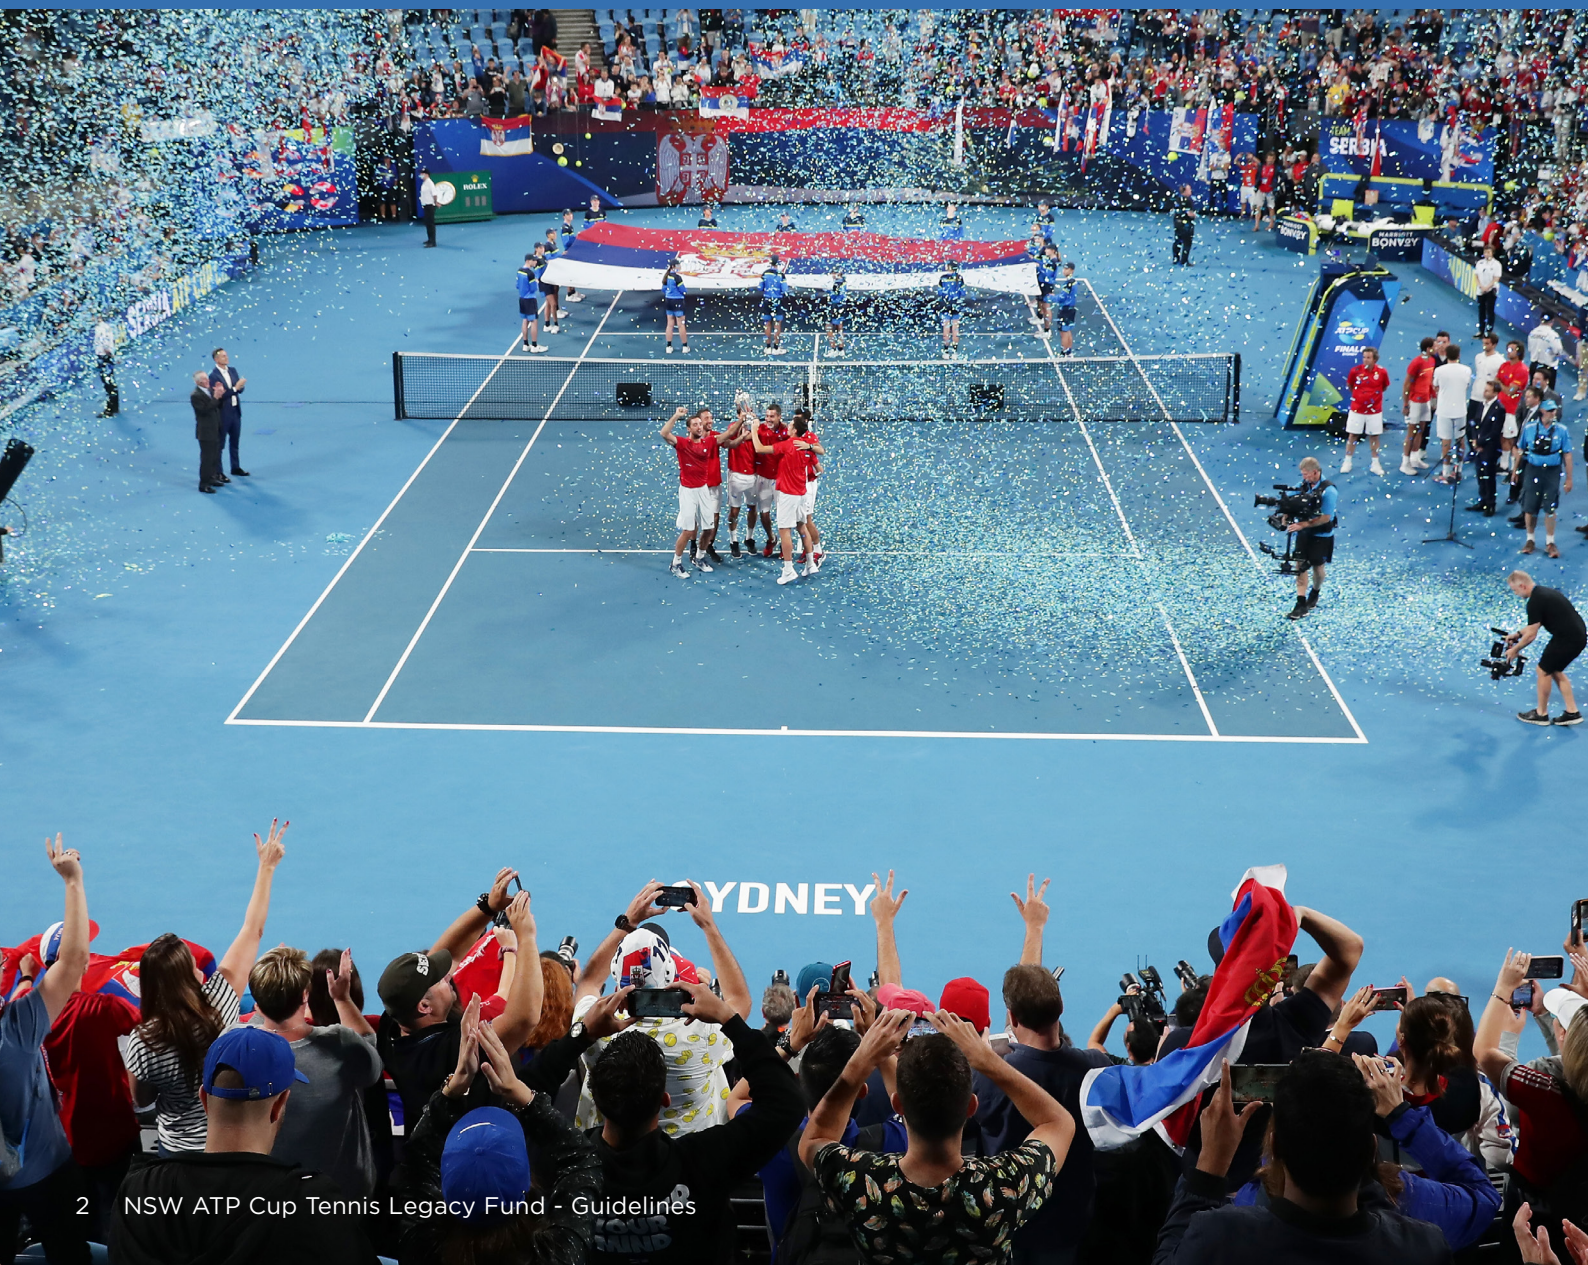
APPENDIX 19



NSW ACTING MINISTER FOR SPORT AND TENNIS NSW CEO INTRODUCTION

We hosted a brilliant inaugural ATP Cup in 2020 and now the NSW Government is proud to announce the opening of applications for the NSW ATP Cup Tennis Legacy Fund.

In partnership with Tennis NSW, the Fund will focus on improving facilities and participation opportunities for community tennis, with up to $300,000 available across two categories in the opening round.

This funding comes in addition to the NSW Government's $50.5 million upgrade of the Ken Rosewall Arena at Sydney Olympic Park which will attract the world's best players to Australia for the ATP Cup and other major sporting and cultural events.

I encourage all tennis clubs, associations and local councils across the State to put in their applications for projects that will deliver a great legacy for local communities.

The Hon. Geoff Lee MP
Acting Minister for Sport

The inaugural ATP Cup captured the imagination of tennis fans across the world and Tennis NSW wishes to thank the NSW Government for sharing our vision to bring this event and the world's best players to NSW.

Whilst bringing these players to Sydney, both Tennis NSW and the NSW Government have created the NSW ATP Cup Tennis Legacy Fund, to help our tennis community share in the benefits of that investment and create lasting legacies in our tennis clubs and venues across the State.

Over the next 3 years, Tennis NSW, Tennis Australia and the NSW Government will make over $5 million available to invest in community infrastructure and participation programs that deliver a great legacy for our sport and communities.

We're excited to launch this opening round of funding and look forward to seeing a great number of quality applications submitted.

Please note the timeframes, key criteria and essential information in preparation for your application. If your project is not yet ready to submit, then do watch out and plan for future funding rounds.

Thank you again for all you do for our sport and we look forward to seeing this program come to life in the weeks and months ahead.

Lawrence Robertson
Tennis NSW CEO
