# Welcome

On behalf of Tennis NSW, we would like to welcome all players, their families and supporters to Gosford for the 2023 NSW 14/U State Teams Championships.

We are excited to return to Gosford and can't wait to see all players back on court once again representing their regions. We trust that you will all take great pride in being selected and in doing so uphold the best qualities of sportsmanship and teamwork.

NSW team events provide an opportunity for players to experience a Fed Cup and Davis Cup like format where team managers are on court to guide players through the event. We hope that all players will appreciate and take advantage of the knowledge and experience of their team managers. Thank you to our team managers for coming to Gosford this weekend. We wouldn't be able to hold an event like this without your support.

Thank you to the committee and staff of Gosford Tennis Centre for being such welcoming hosts time after time. A special thank you to our Referee for the Championships, Darren Nash. Your support year after year doesn't go unnoticed and we thank you for all of your time and effort over the weekend. Without you all, we would not be able to offer such a unique opportunity for the players.

To all of the parents, thank you for supporting your children's tennis and bringing them to Gosford to make this weekend possible. We hope that during this event each of you will support your children with a focus on development and encourage great sportsmanship.

Lastly, we would like to wish all of the players and their teams good luck for the weekend. Enjoy your matches, play fair, use this experience as a learning opportunity and most importantly have fun!

**Tennis NSW Operations and Pathways**

It is with pleasure that I welcome you to the Lesley Bowrey Cup & Ken Rosewall Cup at the 2023 NSW 14/U State Teams Championships.

Firstly, I would like to thank Gosford Tennis Centre who have supported this event for many years. Without the support of the venue, the volunteers and team behind the venue, Tennis NSW would not be able to hold such a fantastic junior teams event.

The opportunity for our young players to compete at state level but within a team environment is special. The recent United Cup that we were privileged to host in Sydney has demonstrated how thrilling and exciting team tennis can be.

We know that players love the opportunity to play with their friends and compete in a team environment and we are looking forward to offering additional team opportunities throughout the year.

May I also extend my thanks to the Tennis NSW team members Allira Smith-Connor and Karen Muller who have spent numerous hours organising all aspects of the event. It is also important to acknowledge Referee Daren Nash for his ongoing support of the event and the mentoring of the team managers which provides a unique experience for all players.

Huge crowds at the United Cup and Australian Open show tennis is thriving and we have emerged from recent years stronger than ever. Your continued support and commitment to our game is greatly appreciated by the players and all connected with Tennis NSW.

Finally, a big thank you to the parents and families who have supported your player to this event. Wishing all the players, team managers, officials and volunteers the best of luck for what promises to be a fantastic event.

# Lesley Bowrey AM

Lesley Turner made a name for herself on the clay courts of Europe where she won the French Open Singles in 1963 and 1965 and the Italian Championships in 1967 and 1968. In a very successful career, Lesley won 13 grand slam titles.

Known as a resolute baseliner with beautifully crafted strokes, Lesley was ranked number 2 in the world behind Margaret Court in 1963.

In 1985 Lesley was inducted into the sport Australia Hall of fame.

Lesley was elected to the International Tennis Hall of Fame and was a recipient of the Sarah Palfrey Danzig Award in 1997. This is awarded to the female player who contributes to the growth of the game of Tennis by showing great sportsmanship, manners and character on the court.

Lesley has always maintained a passion for tennis, coaching and managing various NSW and Australian junior teams. She is a keen supporter of Fed Cup tennis, having won the event twice for Australia in 1964 and 1965 and as Lesley Bowrey, she captained Australia's Fed Cup team between 1994 and 2000.

In 2009, Lesley was appointed as a Member of the Order of Australia at the Queens Birthday Honours, for her service to Tennis as a player, coach, mentor and to the community.

# Ken Rosewall AM MBE

A living legend of Australian tennis, Ken's career spanned three decades traversing every stage of the sport's development. From the days of Harry Hopman's Australian squads, where the strictly amateur Davis Cup and Wimbledon were the pinnacle to the fledging professional tour, including World Championships tennis, World Team tennis, The Grand Prix and the Grand Masters.

Ken won eight Grand Slam Singles titles including four Australian Opens (1953, 1955, 1971, 1972), two French Opens (1953 and 1968) and two US Opens (1956 and 1970). He also won all four Grand Slam Doubles titles. Ken was the singles finalist at Wimbledon in 1954, 1956, 1970 and 1974.

Ken also achieved outstanding success in Davis Cup, having been involved in seven winning Cup ties with great mate Lew Hoad, under the guidance of the legendary Harry Hopman.

Before the open era, Ken won a record 15 Pro Slam titles and a record 35 major finals overall. He also won the Pro Grand Slam in 1963.

In the Open-era (post 1968), Ken amassed 32 singles titles and 18 doubles titles. He is the second oldest player to ever win a title in the Open-era at age 43. Ken was also the second player, after Rod Laver, to pass one million dollars in prize money. His highest ranking in the Open era was world no. 2 on 20 April, 1975, but he was ranked no.1 prior to the advent of the computer rankings in 1973.

At the 2010 US Open Ken was inducted into the US Open Court of Champions, which celebrates the legacy of the greatest singles champions in the history of the US Open.

Play-off Matches—All Players Involved

## Match Rules:

1.
  - a) A hit up of three minutes only is permitted. Play shall be continuous from the first service until the match is completed
  - b) The first team mentioned in the draw will collect the balls for each match.
2. Each match shall comprise three singles and two doubles. The singles will be two tie-break sets. Should the score be one set all, a match tie-break (first to 10 points with a two point advantage) will be played. Each doubles rubber shall comprise 1 match tie-break.
3. The manager or his/her nominee shall be permitted to occupy a seat at courtside and to instruct his/her team during the change of ends. Parents are not permitted to manage teams which contain their son or daughter. One manager only is permitted on court for each team. When two courts are used the managers are to sit between the two courts.
4. Managers are requested to adhere strictly to the 60 second time limit during the change of ends.
5. Players in each team shall be ranked in order of merit and this relative order shall not be altered throughout the competition.
6. Upon completion of the final doubles set in each match, the manager of the winning team must report the scorecard with results of all sets and return the balls to the Tournament desk.
7. Should any match be interrupted, players should note:
  - The player serving and from which end.
  - The state of the match and the score of any unfinished game.
8. The order of play for all matches shall be: No.1 Singles, f/b No.2 Singles, f/b No.3 Singles, f/b Doubles. When two courts are used No.1 and No.2 Singles are played first on adjacent courts.
9. Each team member must play in one of the two doubles match tie-breaks. No.1 and No.2 singles players will be the No.1 doubles pair. The No.2 doubles pair can be either No.1 and No.3 or No.2 and No.3.
10. One point will be awarded for each set won and one point for the winner of a tie-break played after 1 set all. One point will be awarded for each doubles tie-break won. Two points are awarded in each match to the team gaining the most points. If points are equal, the team winning the most games will be awarded the two points. If games are equal, each team will be awarded one point.
11. The team gaining the highest points shall be the winner of their Pool.  
If two or more teams have an equal number of points, the results shall be decided as follows:
  - a) The head to head results of the match in which the two teams played each other, and
  - b) If that match was drawn, then the managers should nominate a doubles pair who will play a match tie-break.

12. All players are involved in the play-off matches which will be conducted as follows:  
First team in Pool A vs First team in Pool B playing for Ken Rosewall Cup and the Lesley Bowrey Cup, Second team in Pool A vs Second team in Pool B, Third team in Pool A vs Third team in Pool B, Fourth team in Pool A vs Fourth team in Pool B, Fifth team in Pool A vs Fifth team in Pool B, Sixth team in Pool A vs Sixth team in Pool B.
13. Depending on time constraints, only the singles matches may be completed in the play-off matches other than those for the Cups.
14. Should the play-off for the Ken Rosewall Cup or Lesley Bowrey Cup result in a drawn match, based on the above points system, the team winning the most games will be the winners. If the games are equal, joint winners will be declared.

## **Tennis Etiquette & Rules for Non-Umpired Matches**

### **1. Rules for non-umpired matches**

- a) Each player is responsible for all decisions in his/her half of the court. He/she should be completely honest on all "calls" but, if in doubt, he/she should give his/her opponent the benefit of the doubt and play the ball as good. You should not play a let.
- b) It is your obligation to call all balls on your side, to help your opponent make calls when the opponent requests it, and to *call against yourself* (with the exception of a first service) any ball that you clearly see out on your opponent's side of the net.
- c) Any "out", "let" or "fault" call must be made immediately (i.e. Made before his/her opponent has hit the return or the return has gone out of play); otherwise the ball continues in play. "Calls" must be verbal and clearly audible to the opponent, followed by a signal if necessary. "Let" may be called by any of the participating players.
- d) On all court surfaces, except clay (see (g) below) if a player incorrectly calls a ball "out" and then realises that the ball was good, the point should be replayed on the first occasion (involuntary hindrance) and the point lost on each subsequent occasion (deliberate hindrance).
- e) In doubles, when returning service, the partner of the receiver should generally call the service line for him/her. The receiver should generally call the centre and side service lines.
- f) If players cannot agree on the score, they should calmly discuss the points, games that are in disagreement. If they cannot reach an agreement they should replay only the points or games in question. All points or games which the players agree stand e.g. two players cannot agree on whether the score is 40-15 or 30-30, but agree on the winner of the first, second and fourth points. Therefore only the third point needs to be replayed.

- g) Players are prohibited from checking the mark of the ball on their opponents side of the court, unless invited by their opponent to do so. Ball mark inspections are only permitted on clay courts. On clay courts if a player incorrectly calls the ball “out” and then realises that the ball was good, the player who called the ball “out” loses the point.
- h) Where the ball interrupts play, either by rolling/bouncing onto the court, and/or creating a visible interruption behind the court a let should be played.
- i) If a player hinders his/her opponent it can be ruled voluntary or deliberate.
  - a) When a player has created an involuntary hindrance (ball falling out of a pocket, hat falling off etc), the first time a “let” should be called and the player should be told that any such hindrance thereafter will be ruled deliberate.
  - b) Any hindrance caused by a player that is ruled deliberate will result in the loss of a point.

## 2. Etiquette

- a) When ball persons are not available, all balls on your side of the net are your responsibility, to pick up and, where appropriate, return directly to the server.
- b) The receiver should not return the first service if it is an obvious fault—let it go by or ground it.
- c) Do not enlist the aid of spectators, including parents, coaches etc, in making line calls, or attempting to determine other on-court matters.
- d) To avoid controversy over the score, the server should announce the game score before starting a game and the point score prior to serving for each point.
- e) Wait until a point is over before walking behind a court where a match is in progress.
- f) To retrieve a ball from another court or to return a ball to another court, wait until the players have completed a point.
- g) Do not stall, sulk, complain nor practice gamesmanship.
- h) Tennis NSW has a zero tolerance policy to Team Managers approaching players to promote or offer their individual coaching services.
