Welcome from Tennis New South Wales,

On behalf of Tennis New South Wales, I extend a warm welcome to all students, teachers, team officials and parents ahead of the 2025 NSW High School Championship to be held in Albury. Congratulations on being selected to represent your school, we hope you enjoy the experience of participating in this prestigious event.

In the absence of an All-Schools tennis event being delivered by the School Sport Associations, Tennis NSW is excited to play a role in delivering the 2025 NSW High School Championship as the premier secondary school team tennis event in NSW. This event provides an opportunity for the best secondary school teams to come together to play against each other, celebrating their achievements at the state level and offering an opportunity for further representation nationally. The event also provides a unique opportunity to forge new friendships and memorable experiences.

For some of you, it will be your first opportunity to play representative team tennis at a state level, while for others it presents an opportunity to capitalise on quality matchplay opportunities as you look towards future national and international tennis success. To all competitors, whatever your goals, we wish you all the very best for the tournament ahead.
