GENERAL JDS REGULATIONS

OVERVIEW

The Junior Development Series (JDS) events are designed to be a players' first tournament experience. JDS events must be held for 10/U, 12/U, 14/U and 16/U age groups and act as an introduction to tournament play. These JDS events are participation based and will be the initial step in tournament play before the J125, J250, J500 and J1000 level events as part of the de Minaur Tour. The JDS operate under the principles of a healthy attitude, fair play and an opportunity to compete to the best of your ability.

Players in Metro Sydney will participate in up to 5 events in Term 2 and gain points in the Metro JDS points series as well as being given an opportunity to improve their Universal Tennis Rating (UTR). Metro Sydney JDS points will be accumulated across the 5 events and be used to determine the top 8 players to progress to the Metro JDS Champion of Champions event to be held later in the year

The following set of rules will be in place and applicable to the administration and operations of all events associated with the Metro Sydney JDS. These Regulations are to be read in conjunction with the Tennis Australia Competitive Play Regulations for Junior competitions.

Tennis NSW holds delegated authority to administer and oversee Metro Sydney JDS events in accordance with these regulations.

PLAYER ELIGIBILITY

To be eligible to enter a JDS event for 2025, all players need a Tennis registration (ID) number. A player's registration number is an 11-digit number starting with 66. If a player has trouble after visiting the website you can contact Tennis Australia Customer Service via email customersupport@tennis.com.au or via phone on 1800 PLAY TENNIS (1800 752 983)

Players will be provided with a full refund of any entry fee paid should they withdraw before the withdrawal deadline. Players that withdraw after the withdrawal deadline will not be entitled to any refund of any monies paid.

In addition to no refund being issued, late withdrawals will be penalized under the Tennis Australia Code of Behaviour.

It is the responsibility of the player or parent to be aware of the correct withdrawal procedures. Withdrawal notification must be completed online via the players account used for entry or provided to the tournament in writing via email prior to the withdrawal deadline. Text messages and Social Media messages will not be accepted as an appropriate notification of a withdrawal.

PLAYING OUT OF AGE

Players are permitted to play outside of their age group in Metro JDS. Players and parents need to be aware that points accumulated in age groups are non-transferable and can only be counted for the age group in which they were originally earned. Players are only permitted to play up and are only able to play up 1 age group only (i.e. a 12/U player is able to play in the 14/U age group but cannot play in either the 10/U or 14/U

POINT SCORES AND LADDERS

The Metro JDS Points Ladder will be administered by Tennis NSW and posted to the Tennis NSW website by the Wednesday after the tournament has been completed.

Points will be awarded based on the number of games each player wins at each event. The optimal pool size is five players; if a pool has more or fewer participants, results will be proportionally scaled to reflect a five-player format.

Should a player fail to win a game, they will be awarded 1 participation point for attendance.

Points will be scaled to an optimal 36 points each week to account for pools that may have less players than the preferred number of 6

JDS OFFICIALS

An official will be appointed to each venue hosting a Metro Sydney JDS event. Depending on the number of courts, the minimum requirement is for a Referee. If an event is running over multiple venues, an official will be required for each venue in use.

The purpose of an official at an JDS event is to act in an education role with a focus on player and spectator behavior. An official working at an JDS event should not under any circumstances involve themselves in the administration of an JDS event or the production of an JDS draw.

OUT OF REGION PLAYERS

In the 2025 Metro Sydney JDS, players can participate in RMS events in regions outside of their ordinary place of residence, however the player will not be allowed to accumulate points at RMS events unless that player's ordinary residence is within the region hosting the RMS event or unless the player has been approved and registered as an in-region player.

Please refer to Player Eligibility on Page 3 of this document for clarification on areas that are considered Metro Sydney.

FORMATS OF PLAY

All Metro JDS events will be played as 1 Tie-Break Set (First to 6 games, Tie Break at 5 games all)

Long Deuce will be used in all matches. Short Deuce can only be used under special circumstances with prior approval from Tennis NSW.

DRAWS

Where possible, 2025 Metro JDS events will be split into Tiers based on players UTRs. Should the number of entries in a JDS event exceed 8 players, it will be split one of 2 ways, either directly down the middle or by 2 UYTR points so as to ensure level based play.

The ideal number of players per pool is 5 and there will be a maximum of 4 pools per Tier.

If an age group is split into tiers, the winner of each of these Round Robin pools will move into the Play-off. Should an age group not have the numbers to split into tiers, they will only play out their Round Robin Pool matches.

START AND REPORT TIMES

It is recommended that all Metro JDS events commence at 8.00am unless prior notification is given of an alternative start time.

Some events may have split start times due to the size of the host venue or may involve using two or more separately located venues to deliver an event. All efforts will be made to advise parents of this no later than Thursday at 5:00pm before the relevant RMS event.

All parents and players are asked to be at the nominated and assigned venue at least 30 minutes before the published start time and to check in with the Event Director at least 15 minutes before the published start time so play can commence on time.

The Event Director may, in their absolute discretion, excuse late attendance, however the decision of the Event Director in this respect is final.

NO SHOW/FAILURE TO ATTEND

If a player does not turn up on the day (and has not previously withdrawn consistent with these regulations) that player will be declared a "No Show". If a player is deemed a No Show, the player will be penalized under the Tennis Australia Code of Behaviour.

JDS CODE OF CONDUCT

The JDS Code of Conduct applies to players, parents, coaches, and spectators off the court as well as players on the court. Tennis NSW may impose additional sanctions upon any player or parent consistent with the below table (the JDS Code of Conduct).

Additionally or alternatively, Code Violations and other sanctions may also be issued under the Tennis Australia Code of Behaviour.

For clarity, the below applies in totality and cumulatively during the entire year of Metro Sydney JDS events and not per individual event.

Serious forms of misconduct may be referred directly to the Tennis Australia Integrity unit and if so, the imposition of any sanction under this policy might be delayed pending outcome of any Tennis Australia Integrity unit action.

Where possible, breaches of the Code of Conduct witnessed by an official or event director should be dealt with on site by the official consistent with the, Code of Conduct, Tennis Australia Code of Behaviour and the Metro Sydney JDS Regulations.

Tennis NSW holds the authority to impose any sanction under these Rules and Regulations irrespective of any inaction taken by the Tournament and or Referee, if in the view of Tennis NSW such action is necessary considering the circumstances present.

TENNIS AUSTRALIA NATIONAL POLICIES

All Metro Sydney JDS Participants (whether as a player, coach, official, spectator or otherwise) are subject to the Tennis Australia National Policies including but not limited to the Tennis Australia Member Protection Policy, The Tennis Australia Safeguarding Children Code of Conduct and the Tennis Australia social media policy, or any other policy of a similar nature but with a different name as may apply from time to time.

FAILURE TO COMPLETE EVENT

In the event a player fails to complete any match in a Metro Sydney JDS event, the players completed matches up to and including retirement will be counted for the purpose of onboarding onto a player's UTR profile, but the players' results will be discounted from the event for the purpose of determining points allocation.
