

TENNIS QUEENSLAND COVID 19

COACHING SCENARIOS

10 people per court

Under the industry COVID Safe plan, tennis coaches may have up to 10 people per court, adhering to a 4sqm radius for each participant.

This document illustrates examples of how to successfully utilise a court with up to 10 players, following the government's guidelines for physical distancing.

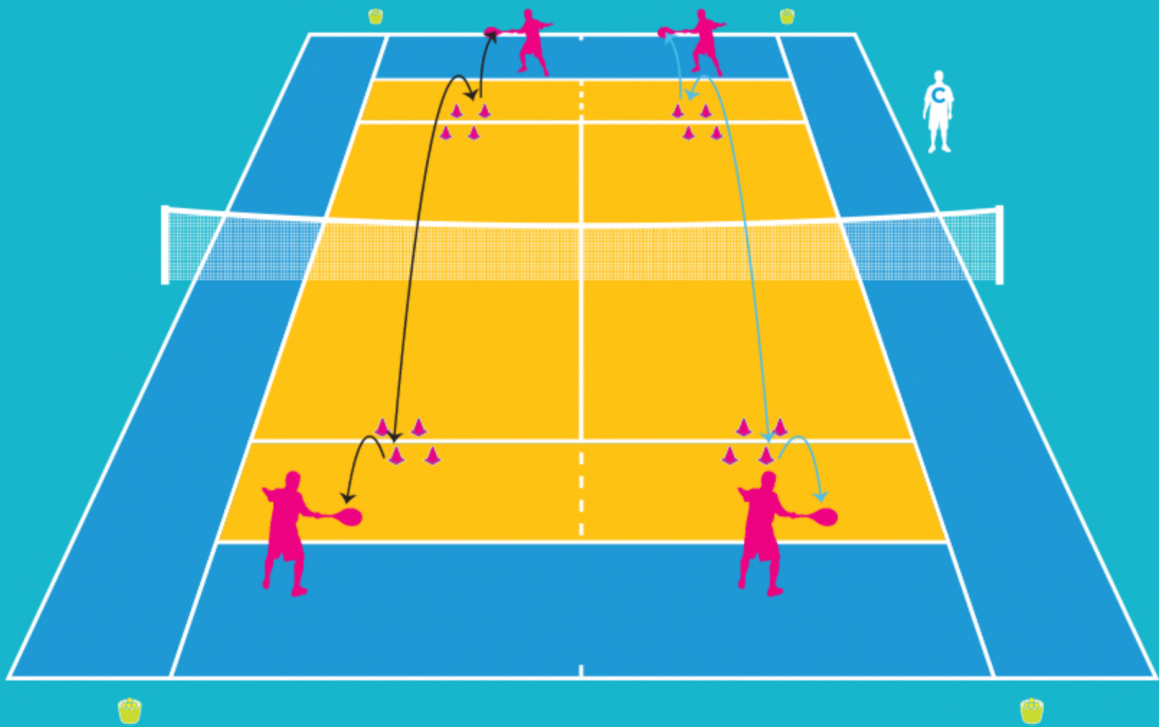

Parents and spectators must also be offered designated areas with compliant physical spacing of 4sqm to avoid gatherings of people

For more guides and information related to COVID-19, visit the [Tennis Queensland website](#).
