

Hello,

A free event parking code has been created for the QLD Jnr Teams Carnival event, valid from 06:00 AM - 07:30 PM on 01/11/2022.

CODE INSTRUCTIONS FOR EVENT PARKING:

Please ensure that you park within the General/Casual parking areas and enter the following details into the parking machines to receive free parking. Please refer to the [Mt Gravatt campus](#) parking zones. General Permit areas are shaded on this map.

1. Enter your license plate number then Press OK
2. Press OK again (this selects the 'Permit' option shown on screen - not the right/left arrows CC / Cash)
3. Enter in 41357 as your permit number
4. Press OK
5. It will search for a permit, and then say that there is \$6 parking, valid until the end of the day
6. Choose Y/N for your receipt

Please be advised that failure to utilise these Event Code instructions to validate your parking on arrival may result in an infringement notice being issued to your vehicle.

If there are any issues with using the event codes, please contact the parking department as immediately as possible after parking the vehicle on 07 3735 5500 or parking@griffith.edu.au so that we can help you avoid infringement.

Please be advised that where an infringement notice is issued to a vehicle due to the vehicle being parked without a valid parking permit granted by the University, the infringement notice will be legally binding; the parking administration team are not authorised to withdraw infringements that have been issued in these circumstances.

If you do have any questions or require help with where you can park please contact the Parking section on 373 55500 or by emailing parking@griffith.edu.au.

Regards,
