

Linking Stripe

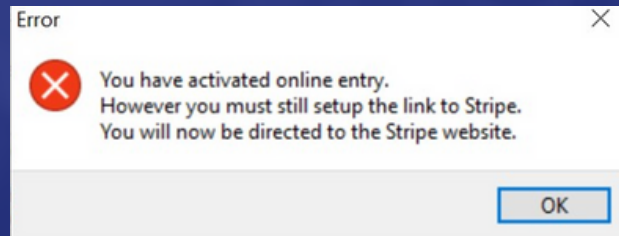

Open your file and click Internet > Publish

Then click on publish on the box that appears

You will receive this message -

Click Ok

Linking Stripe

This will automatically take you to the stripe login page.
Use your email and password to login.

An authorization code will be sent to the mobile phone
that is connected to this account.

Enter the code and your event will now be connected
to stripe and able to receive online entries.

Get started with Stripe

If you're completing this form on behalf of a business, it must be completed by the business owner or someone with significant management responsibility of that business.
