Venues to be decided after entries close to allow for best scheduling.

* A pre-qualification (up to 64 players) has been approved by Tennis Australia to be played if entry numbers exceed available spots. Format will be 2 TB sets and a match tie-break. We will hold a couple of special exemption spots in the qualifying draw in case a player is still scheduled to play on the final day of the previous junior tournament.

There will be sign-in consolation for all pre-qualification, qualification and main draw events. Rod Laver Junior Championship players who have completed all commitments until July 12th can sign-in to play in the Churchie Junior Championships for free.
