

SUSTAINABILITY IN SPORT
NORTH COAST REGIONAL DEVELOPMENT
and
LOCAL GOVERNMENT OFFICER FORUM
DATE CLAIMER

Think Sustainability - industry benchmarks and aspirational targets in energy, water, waste and emissions, as well as tools and resources that clubs can use to achieve these targets.

ecoBiz - a free program that helps organisations save thousands of dollars across their power, water and waste bills. Through ecoBiz, organisations put sustainable ideas into practice.

Case Study - on certified organic sports field and LED lighting.

Plus an agency update from Sport and Recreation Services.
