The JDS South Region Circuit will be adopting the Universal Tennis Rating (UTR) System at all JDS events for 2021. As the UTR is an ability based system, this would allow our players to understand their level and performance.

ENTRY CRITERIA

Players must be 17/U as at 31/12/2021 | My TennisID | UTR Registration

Players must play minimum 4 singles events to be considered for the Gold Coast JDS State Final team selection.
