Major Prize and Regional Representation

Players have to play the following events (in one age group) to qualify for the Major Prize & Win the JDS on Points; two A+, one A, two B and one C. The player's best results in each of these categories will be used to determine the winner. If players have equal points, then their "head to head" results will be used to determine the winner. All players competing in B tournaments will receive 30 points regardless where you finish in the tournament.
