

Our commitment to safeguarding children

Tennis Queensland commitment statement

Tennis Queensland has a zero tolerance approach to any form of child abuse and is committed to ensuring the sport of tennis is a safe and friendly environment for children and young people. It is imperative that children and young people who access our activities, programs, events, or services feel safe and supported.

We will ensure that child safety is embedded in our organisation's culture, reflected in our policies and procedures, and understood and practiced at all levels of our sport.

We commit to making sure that everyone involved with delivering tennis in Queensland, from club administrators, volunteers, parents, and participants, understand the important responsibilities they have in relation to child safety.

Our commitment extends beyond creating an environment that minimises risk or danger. We are committed to building an environment that is both child-safe and child-friendly. Together we can provide an environment in which children feel respected, valued, and encouraged to reach their full potential.
